Dear Parents and Carers

**Year 4 Recorder Lessons**

The children in year 4 will be having recorder lessons every Friday this term. School is able to provide recorders for the children, however we are aware that they often prefer to bring in their own recorders. So that we know how many recorders we will need to provide I would be grateful if you could return the slip below indicating whether or not your child would prefer to use their own recorder.

If you would like to buy a recorder for your child they can be bought very cheaply from Amazon, Ebay or Normans at <https://www.normans.co.uk/category/recorders-and-accessories>. Poundland also sometimes stock them.

Thank you for your support.

Yours sincerely

Danielle Nossa  
Phase Leader Years 3 and 4
