

La Cantina Winery 2019 COOP Wine Reserve

The Coop: More than 50% of the yearly wine production at La Cantina Winery is distributed directly to members via an active wine making cooperative. Our coop is not simply a wine club, its members are participating throughout every stage of making the wine that will ultimately be their own.

To Join: A minimum of two cases (24 bottles) are reserved with a 50% deposit. Individual cases can be mixed. Payments can be mailed or accepted upon grape arrival. After the bottling event you must pick up your wine within 4 weeks.

Grapes will be arriving in early October

Our wines are produced and bottled at La Cantina Winery located in Franklin, MA. Our grapes are sourced from growers we know and trust. They provide us with exceptional fruit and are located in Suisun Valley, North Coast California which borders Napa Valley directly.
