

Year 5 English – 27.04.2020

Use the picture to write a descriptive piece of writing.

Remember to use all five senses to help build atmosphere in your writing. Along with this, make sure you use different sentence starters to help improve your writing. Before writing your paragraph, plan what you want to write. Come up with different adjectives you want to use along with phrases of the things you want to describe.

Sight: The wall went on for miles. Bright blue water was the only colour to be seen.		Hear: Scurrying of creatures on the sand. Sounds of footsteps echoed around the beach.	
Smell: From above, came the smell of oil, however down on the beach was the smell of ...	Taste: Fresh air for the first time.		Feel: Coldness covered his skin.
