Partnership Initiative	Description	Benefits
Altus AFB Emergency Responder Resource Sharing Memorandum of Understanding (MOU)	The MOU addresses the sharing of resources to conduct fire hose testing and fire hose repair between Altus AFB Fire Emergency Services and Altus Fire Rescue. The 97 AMW will provide hose testing equipment, while the City of Altus will provide a hose coupling repair machine, which meets the requirements of the National Fire Protection Association. Stakeholders: City of Altus, Jackson County, Altus AFB	Installation: -\$7-\$10K per year in firehose test/repair savings of new hose purchases
Altus AFB Firing Range MOU Memorandum of Understanding (MOU)	The MOU permits the request of access to utilize the Altus Police Department (APD) Firing Range during Altus AFB Firing Range closures and also permits the APD to utilize the Altus AFB Firing Range to prevent mission stoppages. Stakeholders: Altus Police Department, Altus AFB 97th Security Forces Squadron	Installation: -Allows cross-use of firing ranges for training Community: -Improved police officer training and confidence
Altus AFB Joint Law Enforcement Driver's Training Course Memorandum of Understanding (MOU)	The MOU allows the request of access for the Altus Police Department (APD) to utilize Altus AFB's Northramp and Taxiway H and J to conduct law enforcement driver's training. Stakeholders: Altus AFB SFS, Altus Police Department	Installation: -Provides safer law enforcement driving at no cost Community: -Saves City of Altus \$10,000 per year in travel costs
Altus AFB Military Discount for Veterinary Services Verbal Agreement	The verbal agreement permits three locally-owned private veterinarians to provide a 10% military discount to Altus AFB personnel for all veterinary services, enabling the base to close its veterinary amenities and demolish the facility for reuse. Stakeholders: Local Veterinary Service Providers, Altus AFB personnel	Installation: -\$100K one time deferred maintenance repairs

Partnership Initiative	Description	Benefits
Robins AFB Community Participation in Aero Club Waiver	The waiver permits non-DoD civilians to use the Aero Club. Stakeholders: Community, Robins AFB	Installation: -Expected to gain 50 Aero Club members
Robins AFB Firing Ranges Signed Agreement Memorandum of Agreement (MOA)	This partnership is between Robins AFB and the Bibb County Sheriff's Office. The 78th Security Forces and local law enforcement offices can issue a request to use the other party's weapons range facilities for training. Stakeholders: Bibb County Sheriff's Office, City of Warner Robins Police Department, City of Perry Police Department, Robins AFB 78 SFS	Installation: -Using local small arms ranges to help meet training requirements saves the AF \$408K/yr in TDY
Robins AFB Marine Terrain Flight Operations Informal Agreement	The agreement allows Marine Corps Light Attack Helicopter Squadron 773 (HMLA-773) to conduct terrain flight operations training in close proximity to the Robins AFB airfield, within the base's controlled airspace, over an undeveloped area of the base and adjacent public and private lands. The local training area requires only one helicopter instead of two, as the Robins Control Tower can be used for any possible safety calls, so it reduces the number of aircraft needed, the distance traveled to the training area, personnel time for each training event, and aircraft fuel consumed. Stakeholders:	Installation: -Saves \$300K per year in fuel costs [by eliminating the other aircraft and reducing distance traveled] -Saves 1,600 man-hours/year (crew/mechanics) through the elimination of second helicopter -Reduces flight time 14,400 miles/year
Robins AFB Youth Sports Programs Memorandum of Agreement (MOA)	The MOA integrates the base's youth sports programs with community programs. Stakeholders:	Installation: -Saves \$28K/yr in appropriated funds to pay officials
