Maranatha
Baptist Church
FOR THE SERVICE OF GOD AND MAN

In a world of constant chaos, women today need a place to come together for a time of fellowship. At Maranatha Baptist Church in Sinking Spring, PA, we understand those challenges. That is why every 2nd Saturday of the month ladies join together with the hope and prayer that we can help one another understand the plan God has for each of us.

We follow a simple guideline for what we do on the 2nd Saturday morning at 10 AM.

- ⇒ Study the Bible to learn how to be the kind of woman God intends for each of us to be.
- ⇒ Read about missionaries in other parts of the world.
- ⇒ Pray for each other and other women in need.

Please consider dropping in at our next meeting. You will not be called on or embarrassed. You will be warmly welcomed as a new friend.
