

"We are a non-profit organization that is governed by parents and depends on parental involvement in our Parent Advisory Committee (PAC) to effectively manage preschool-related matters. Engaging in these PAC volunteer roles allows us to offer our services at significantly reduced rates while providing our community with a high-quality early learning and child care preschool program. Your participation is essential to our mission and greatly enhances the educational experience we offer."

Please keep unwell children at home. If your child has a runny or stuffy nose, or a cough, or sore throat, or fever, or GI upset, and they arrive for class, the Teacher is required to keep the child out of the classroom, and call the family to return to take the child back home.

Year End Address from the President

Hello everyone! As we wrap up class for the year, I would like to thank all the teachers, assistants, coordinators, volunteers, cleaners, staff, parents, and most of all, the children, for all everyone's hard work and great memories we made. We at GPS wish everyone well over the upcoming summer break; you deserve it. We look forward to seeing both old and new faces next September. As always, we encourage parents to consider volunteering in the Parents' Advisory Committee (PAC), you can really make a difference in your community and child's education. This was my child's last year with the preschool and I will not be returning as president, but I have truly enjoyed working with the great team we have. Have a great summer!

President; Stephen Bernier

Outdoor Playtime Reminder...

Spring is here, and this means more opportunities for outdoor playtime at preschool! Our students will be spending a portion of their class outside any time the weather permits, so please make sure your child comes prepared. **Sunglasses are highly recommended! Please send your child with a sun hat, and appropriate footwear.** Please do not send your child in sandals. As well, if you wish your child to wear sunscreen, please apply it **before** coming to preschool.

Thanks!
