

# His name shall be called *Wonder-ful..*

Isaiah 9:6 “ For a child will be born unto us and His name shall be called *Wonder-ful..*”

*Wonder*: “a feeling of surprise, mingled with admiration caused by something beautiful, unexpected, unfamiliar or inexplicable.”

Jesus arrival to earth defined this definition! The advent was full of *wonder, wonderful.*

It began with noticing the word “*wonder*” in so many Christmas songs; “star of *wonder*, star of light’...” It’s the most *wonderful* time of the year..”

“..walking in a winter *wonderland..*” and a childhood favorite of mine..”I *wondered* as I wandered out under the stars...”

In heaven our children are living in a constant state of *wonder*! Our tear swollen eyes have a hard time seeing anything, let alone something *wonderful*!

This morning it’s too cold to snow but the frozen moisture is quietly falling to the ground reflecting the suns rays. My grandson looks on with *wonder* and exclaims, “grammy it’s glittering out!”

Ask God to show you at least one *wonder* this season, then open your eyes and look!  
Maybe just that act alone will be your *wonder*!
