

2021– 2022 All-Star Welcome Packet

Welcome to a new season with the 9-1-1 Athletics family! We are honored that you are interested in our program and we look forward to getting to know each one of you as we continue to grow our program into the biggest and best here in Myrtle Beach, SC.

COMMITMENT

All-Star Cheerleading is a highly competitive and extremely rewarding SPORT. Our gym and training program provides a safe, **drama-free** environment where athletes can gain confidence and skills within their sport, as well as learn valuable life lessons for the future. This can only be achieved through commitment from previous and current team members, their families and the 9-1-1 Athletics staff; to continue our success, 9-1-1 Athletics expects the same level of commitment from its future team members, families, and coaches.

GENERAL

Team practices are open for **LOBBY VIEWING** to parents and spectators; this rule applies to any regular practice or any extra practice. Summer practices are especially important to the improvement of skills and to be better prepared for the competition season; however, we try to be as flexible as possible prior to the beginning of the school year. Choreography dates are **MANDATORY**; those dates will be announced shortly after tryouts once the teams are formed. After choreography, practices are **MANDATORY**, and all athletes are required to be on time; there will be no exceptions.

- Only athletes registered with USASF and staff may come onto the gym floor or equipment. No family or friends should be on gym equipment without express permission from staff.
- **No** food, drinks or gum are permitted in the gym at any time. You may eat in the lobby
- **No** cell phones allowed at practice.
- 9-1-1 Athletics is not responsible for any personal items lost or stolen on the gym property.
- Please check the 9-1-1 Facebook Info page and your e-mail daily for gym updates to stay informed. If your e-mail changes, please contact 911AthleticsInfo@gmail.com immediately.
- All choreography (including cheers, dances, stunts, transitions, tumbling, music, etc.) should not be shared or discussed with others. No videos of routines/choreography should be uploaded to any online site such as YouTube, Facebook, Twitter, Fierceboard, etc. until after the last competition of the season.
- **If a 9-1-1 Athletics athlete has a Facebook, Twitter, and/or any other social media account, it must always be maintained with proper integrity. If any athlete's social media accounts are not maintained with proper integrity on photos, status updates and general comments it will be grounds for termination from the program. This rule also applies to parents and family members. If anyone makes negative or hateful comments on social media about the gym, coaching staff, or athletes it will be grounds for dismissal.**
- Every athlete level's 1-6 must be a USASF (United States All-Star Federation) member. Since the 2020-2021 season, USASF will no longer allow gyms to register or re-register their athletes, this must be completed by the parent or guardian at USASF.net. More specific instructions on how to do this will be emailed to you when the time comes to do it.

TEAMS

The 9-1-1 Athletics team members are chosen carefully; the staff's desire is for each team to excel in every aspect of cheerleading. Do not get discouraged if your child does not make the team that he/she desires; keep encouraging him/her to work hard and to be an asset to the team he/she represents! If you are positive, your child will be positive! Please keep the following in mind when trying out for all-stars; **ATHLETES WILL BE PLACED FIRST AND FOREMOST ON THE AGE/LEVEL APPROPRIATE TEAM BASED ON THE USASF AGE GRID.**

- You are trying out to be a member of the 9-1-1 Athletics PROGRAM, not a specific team. There is no way to determine what age/level teams we would even have until after tryouts.
- Just because you were on a specific team last season, DOES NOT mean you will be on that same team this season. Younger age kids may have been placed on an older team because there was not an age/level appropriate team for them to be on last year.

- Just because you are a younger talented athlete, do not assume you/your athlete “should be on a certain team”.
- Opting to be a crossover may help you get the “stunt position” you are wanting. For example, you may want to fly but you base on your age/level appropriate team, there may be an older team that needs a flyer that you could cross up to. Indicate your ability to be a crossover on your tryout sheet and discuss it with your coach. DO NOT expect to be in a certain position on any team. We will always do what is best for the team in terms of having a successful season. Be a team player.
- Being a crossover is a PRIVILEGE. Competing on more than one team is double the responsibility. There are MANY factors that go into a coach’s decision to ask/allow someone to be a crossover. We cannot put the status of 2 teams in jeopardy if the athlete in question does not meet all the requirements; not just age/level appropriate, but also attitude, previous commitment level, parent involvement, punctuality, absences, teamwork abilities, performance levels, and even grades come into play when deciding if an athlete is a crossover candidate. For instance, if an athlete meets all the criteria but is struggling to pass classes in school, the coaches must consider that the athlete may lose their ability to cheer due to failing grades; that would then affect two teams instead of one. Please do not be offended if a coach does not ask you to crossover or if they feel that you/your athlete is not an option at that time.
- Just because you have 1 of the skills in a level **DOES NOT** make you that level athlete! For instance, having a back handspring does NOT make you a level 2 athlete. You must have ALL ALLOWED skills for that level. If a gym puts too many kids on a team that only have 1 or 2 level appropriate skills, they are setting themselves up to lose. WE LEVEL DOWN! There are also more requirements than just tumbling skills. Obviously, there will be the occasional exception that is up to the coach’s discretion. We fully support our coach’s decisions. Do not come to the gym manager or owners and complain because another child was placed somewhere that yours was not.

Please trust your coaches. We will never set a team up for failure or set out to hurt anyone’s feelings. There are also safety issues with placing a child on the wrong team by skill/age level. Work hard, be dedicated and results will come. Coaches want your child to feel a sense of pride when they compete the skills they have MASTERED, not the skills they want “really bad” someday.

Minimum Skills Required for Each Level – Must have ALL the skills required (only exception Level 1)

- Level 1 – Back Walkover, Front Walkover, Cartwheel, Round-off
- Level 2 – Standing Back Handspring, Back Walkover – Back Handspring, Round-off Back Handspring
- Level 3 – Round-off Tuck, Round-off BHS Tuck, Toe-touch Back Handspring, Punch Front, Standing Multiple BHS
- Level 4 – Standing Tuck, Standing 2 BHS to Tuck, Toe-touch BHS Tuck, Round-off BHS Layout
- Level 5 – Toe-Touch Tuck, Standing 2 BHS to Layout, Round-off BHS Full

9-1-1 Athletics reserves the right to:

- Place its athletes on the team or teams it feels will best suit them and the program.
- Move, replace, add, suspend, or dismiss an athlete for a period, or indefinitely, from their team or the entire program based on the criteria including, but not limited to attendance, conduct, skills, finances, and parent conflicts.
- Decide if an athlete may participate on more than one team.
- Decide the roles and/or positions an athlete will have on their team/teams. (e.g., flyer, base, back spot, tumbler, alternate)
- Request that an athlete (or team) take additional classes/camps/privates to improve their skills.
- Request that an athlete or team practice longer than their regularly scheduled time or add additional practices, camps or competitions if deemed necessary.
- Require team members to maintain the skill level that they performed at tryouts. If they lose a skill, they are subject to be placed on probation for two weeks and then, if necessary, moved to a more appropriate team for their skill level.
- Athletes that elect to participate on more than one team must:
 1. Be in good financial standing.
 2. Be willing and able to fulfill all the responsibilities required by each team.
 3. **Be responsible for any additional entry fees they incur beyond their first team.**

ATTENDANCE

- Please make 9-1-1 Athletics a priority regarding extra-curricular activities; you have other team members and your coaches depending on you.
- Attend & be prepared to participate in all all-star activities, including those unexpectedly added throughout the season.
- Make every effort to schedule all vacations as to not conflict with any 9-1-1 activities.
- Notify your coaches immediately in writing and by phone of any expected and/or unexpected absences or tardiness. Absolutely **NO ABSENCES** are allowed **TWO WEEKS** prior to a competition or any other big event. Athletes who miss a practice for **ANY** reason the week of a competition, will not be allowed to compete that weekend.
- Extra practices will be scheduled once the competition season begins. The coaches will make every effort to get the extra practice schedules out in a timely fashion; however, there may be instances when an extra practice will be scheduled at the last minute. Please stay flexible.
- ****We will REQUIRE all athletes to make up for any missed time/practices or significant tardiness in some way that benefits the athlete and the team. This may mean the athlete is assigned a certain number of jumps or tumbling passes that they do in the routine to complete at their next practice, or that they will need to come in with their stunt group to do a certain amount of stunt reps to make sure that they do not fall behind the rest of the team.**

ABSENCES

Excessive absences will not be permitted during the competition season. Reaching 3 unexcused absences may be grounds for dismissal from the program. Excused absences include illness, death in the family or school function for a grade (with a note). *****EXCUSED ABSENCES WILL STILL REQUIRE A METHOD OF MAKE-UP PRACTICE DETERMINED BY THE COACHES (i.e., extra stunt practice, tumbling, jumps, etc.)** If you have an injury, you will still need to attend team practice. It is important that you watch from the sidelines for any changes in the routine that may affect you. If your physician recommends you refrain from practice due to an illness or injury, please bring a written note from your doctor to practice. **PLEASE NOTIFY 9-1-1 Athletics AND YOUR COACHES IMMEDIATELY IF AN INJURY OCCURS!**

SPORTSMANSHIP

- Be a positive example to others by being respectful and courteous to everyone.
- Refrain from gossiping or using any form of verbal confrontation. This includes Facebook, Twitter, YouTube, the Fierceboard, message boards, etc. This applies to both athletes and their parents.
- Refrain from celebrating the misfortune or defeat of another person, team, or program. In the same way, accept your team's placement and awards with dignity and class.
- Teammates are expected to treat one another with mutual respect. They should talk to one another in the same way they would like to be spoken to. 9-1-1 Athletics coaches will not tolerate pettiness, gossiping, or "cliques" which attempt to exclude, alienate, or hurt other team members.

DRESS CODE

- Always maintain a well-groomed appearance and good personal hygiene.
- No jewelry is to be worn at any class, practice, camp, or competition.
- Please be sensitive to your appearance when wearing the 9-1-1 logo and representing the gym.

RE-Choreography Fee

Our team program requires a huge commitment from every team member, their parents, and our coaches. To help ensure this level of dedication, we have implemented a fee charged to any athlete who quits his/her team after Sept 1, 2021. The amount of this fee is \$500 and will be immediately applied to one's account and charged to the credit card on file if they are to quit for any reason during the season. In addition, if you are no longer going to be a member of 9-1-1 Athletics (classes or teams) for any reason at any point during the season, **you must submit a 30-day notice in writing for your account to stop being charged for monthly tuition fees.**

ADDITIONAL THOUGHTS

*If you or your children have any concerns or problems, please use the following chain of command: 1) Head Team Coach 2) All-Star Director 3) Owner. Concerns (even if it is with the head coach) should be discussed with your TEAM COACH FIRST. If you still feel like your concerns have not been properly addressed, you are more than welcome to then discuss them with the All-Star Director by setting up an appointment OUTSIDE of class or team practice. It is never beneficial to complain or to disagree among the team members and/or parents. We understand that team members and/or parents do not always agree with decisions made by the staff, but please respect the fact that each decision is made with careful consideration and made to benefit the entire 9-1-1 Athletics program. Please understand that there is a chain of command and coaches cannot do their job if parents are doing an "end run" around them or going over their head before giving them an opportunity to handle the situation.

*The 9-1-1 commitment to you is that we will work to be as organized as possible and be committed to your child. We are an extended family, and we strive for each child to excel and have the best possible

experience and memories out of his/her years at 9-1-1 Athletics. The coaches and staff members strive to be good examples to each child, and we hope they are someone that your child could turn to for encouragement, compassion, and correction.

PARENT REMINDERS:

- Team members must always stay for awards.
