The Jolly Boys of Williamsville and the Williamsville South High School Basketball Boosters Club welcome you to the 11th annual Holiday Basketball Tournament. Over the life of our tournament, we have seen memorable games, met wonderful student athletes, and have enjoyed watching these young men as they move on in their careers. The Jolly Boys are committed to this event and hope to continue it for many years to come! We hope that the athletes enjoy participating as much as their friends, family, and fans enjoy watching the competition. Every year we have exciting, entertaining, and competitive basketball games and our expectations are the same for this year.

You may have been asked to buy 50/50 tickets or ads for this program. Your financial support allows the Jolly Boys to award scholarships to high school seniors and assist the youth in our community.

To the Athletes:

We all appreciate your athletic ability and sportsmanship. Along with your coaches, you are the main attraction of this event. Please know that we are here to watch and enjoy, and at the end of the day, win or lose, you still have friends and family here for support. Also know that while you compete, the younger fans in attendance are looking up to you. The impact of how you react in good times and bad is on display to all.

To our fans and sponsors:

Thanks for your support of this year's Holiday Basketball tournament. Please support the companies who have advertised in this program. These businesses, like the Jolly Boys, understand the importance of investing in the youth of our community. You should know that all proceeds raised from this event goes into our scholarship program for the youth of our community.

About the Jolly Boys

The Jolly Boys of Williamsville is a non-profit service organization comprised of active community minded people. The Jolly Boys are committed to serving our community through volunteerism and fundraising. Major activities of the organization are Old Home Days, an annual golf outing and the Holiday basketball tournament. Founded in 1972, the Jolly Boys of Williamsville have always emphasized youth and recreation in their selection of funding opportunities. The Amherst Youth Foundation has been a major recipient, as have youth baseball, football, hockey, and volleyball. Drug prevention programs have also been a priority with Kids Escaping Drugs being a major recipient. The Amherst Museum and Amherst Symphony have also received Jolly Boys funding. In addition to the scholarships awarded to tournament participants, all graduating seniors who are Amherst residents are eligible to apply for Jolly Boys scholarships. Applications are at www.oldhomedays.org.

This tournament is a Holiday tradition that the whole community will look forward to. Many people that are here do not a child participating. They come because it is an entertaining evening and a chance to meet with friends. On behalf of all members of the Jolly Boys of Williamsville, we hope you enjoy the tournament and this Holiday Season!

This is tobacco marketing.

Kids who see it are more likely to smoke.

It's a fact:

Research shows that kids who shop at stores with tobacco marketing two or more times a week are 64% more likely to start smoking than their peers who don't.
