Combined Business Items – New Business

- Work done at West Baldwin station 3. All new energy saving windows. All energy saving lights.
- Sebago station 1 – forest fire training February 27th, at 6:30.
- Approval to burn buildings in Sebago sometime in March.
- Discussed disagreements on fire scene. Follow order of command. We need to be professional at the scene. Leave personality differences for later.

Call review:

- Structure fire at Bonny Eagle H. S.. Engine 1 basically did traffic control.
- Car fire Wentworth Road. Went well.
- Lington Lumber night call.
- CO2 at Whistle Step. Reading were ok and people were ok.
- Structure fire Chickapee Road. We provided one trip on water supply.
- Need to switch over to mutual aide primary for that town to let them know we are coming.
- Limington lumber smoke coming out of the building. Fire extinguisher and garden hose.
- Sebago call 2/25 sump pump burnout.
- Recommendation from members to extend invite to Jason to continue as Fire Chief for another year.
- Recommendation for state mandated mandatory training. Will do self-training using CDs that will be rotated among members.
- Discussion of getting spouses together to plan a summer BBQ for FF and families.

East Baldwin Station – Old Business

- Building work windows, insulation, chimney work, open oil tank area. etc.

East Baldwin Station – New Business

- Tank truck. Charged and cleaned batteries. Should be ok. Sitting in low idle might not charge them enough.
- Work party on March 24th, 8:00 AM at Station 1.

North Baldwin Station – Old Business

- Forestry 5 still progressing. Plan to paint. Boxes will be on site. Everything ordered.
- Engine 5 primer burned out. Air line so now shouldn't burn out.
- The old forestry needs to be kept in service until the new truck is ready.
- Garage door fixed, need to program keypad. Much of the building work complete.

North Baldwin Station – New Business

- N/A

West Baldwin Station – Old Business.

- Forestry pump back in service.
- Eric Flink on track for completing FF1 in March. Recommend gift card.

West Baldwin Station – New Business

- Tank 2 developing an air leak. Something with the check valve.
- Need to patch the collapsible tank.
