Letter from the Baron:

Well met!

I hope you have all been having a good summer. September is here, fall is around the corner, and we have all sorts of things coming up.

Project nights and fighter practices continue to be well attended. Speaking of which, congratulations to Iohannes for getting his dagger authorization at the Pas. [\(Pictures in the photo gallery\)](#)

We have a demo coming up in Appleton on the 30th, in conjunction with Sunday afternoon practice. Please show up, even if you don't to socialize and help with recruiting. Please remember to wear garb.

On the north side of the barony, school will be starting September 2 at UW-Green Bay. They will have a recruiting day shortly after, and probably need help with that.

Important kingdom business: Coronation will be September 12th in Border Downs, Crown Tourney will be October 10th in Midewinde. Plan ahead.

Northshield is hosting the first ever Known World Metal and Glass symposium, Labor Day weekend in Blanchemere. This will be held at the same site as the Pas. It will be a very cool event, with lots of hands-on classes for working hot glass, as well as armoring and blacksmithing. You should all go and get dirty learning new things.

Windhaven will be hosting SUN, Stellar

University of Northshield, on November 7th. There will be lots of opportunities to volunteer for staff slots. We are responsible for running the site; the SUN chancellor will manage classes.

We are also planning to do Fighter School at the end of February, and will be bidding on Crown Tourney for fall of 2106.

Lots of other fun events coming up, be sure to check the Kingdom Calendar.
