

## **Texoma Women's Golf Association Meeting**

**January 7, 2025**

**The January 7th meeting held at Oak Hollow Golf Club was called to order by Margie Storey, President at 9:30 a.m.**

**The following board members and club representatives were present: Margie Storey, Tommie Sue Turner, Susan Rogers, Barbara Hartline, Donna Hudson, Cincy Carroll, Maggie Thompson, Sheila Coles, Beverly Rychel, and Lorraine Smith.**

**Margie Storey thanked all the representatives and mentioned that 2024 was a successful year and will continue with the point system.**

**Lorraine Smith was elected Secretary to record minutes. Sheila Coles asked for Maggie Thompson to help with the website due to a possible move.**

**The 2025 tournament schedule was set and minutes from the January 2024 meeting were read and approved.**

**Donna Hudson gave the Treasurer's report.**

**Tee off times were decided to be no later than 9:00 a.m. Tee sheets, pairings, and handicaps need to be submitted to Sheila Coles 2-3 days before tournament to be posted on the website.**

**It was decided that on the tournament pairings that it would be done by A/B handicaps and C/D handicaps paired together to avoid being paired with the same players at each tournament.**

**It was discussed and decided that there will be NO MAXIMUM on total score per hole and that each hole must be holed out regardless of the total.**

**Additionally, if a player does not turn in their scorecard at the end of the tournament, then said player will be disqualified.**

The 50/50 drawing at each tournament will be drawn before play and announced so that the winner will be able to get their winnings when turning in their scorecards rather than have to wait around after play.

Changes to bylaws were discussed and approved. The online copy will be updated.

There being no further business, the meeting was adjourned at 11:01 a.m.

Respectfully submitted,

Lorraine Smith
