

# **Coronation Dance Festival**

**2026 Schedule**  
March 13 -15  
Coronation Community Centre

**This year's festival is dedicated to the memory of Lori Eno  
whom the Lord welcomed home in August 2025.**

A second-generation participant and volunteer, Lori poured her heart into this festival for more than two decades. She served faithfully as a board member and an exceptional treasurer, but her impact reached far beyond any role or title. Lori's children participated in the festival, and even after they were grown, she remained a tireless cheerleader for every child who stepped onto a stage and in front of an audience.

She knew countless dancers by name and always offered a warm smile or a word of encouragement. Whether it was a young dancer taking the stage, a piano player striking a key, a poet finding their voice, or a singer lifting a melody, Lori celebrated with them as they tackled nerves. When school groups gathered in the gym, she would slip in whenever she could, leaving her post at the front office just long enough to witness their joy and effort.

Lori loved the children of our communities with a rare and unconditional generosity. She supported teachers, volunteers, and families with the same steady kindness she offered every performer. Lori was always there somewhere—quietly, faithfully—often behind the scenes and never seeking credit for the countless ways she helped this festival flourish. Her presence shaped this event in ways that will continue to ripple for years to come.

Adjudicators: Reanna Maitland & Lindsay White-Thornton

As each child shares their gifts this year, we imagine Lori smiling—her familiar whisper echoing in our hearts: *“Good job, kiddo.”*

The Coronation Music Festival is a non profit society which aims to promote the advancement of performing arts excellence and appreciation in our area and to support community access to music and the arts.

The Coronation Music Festival was founded in 1962 to provide opportunities for Coronation and District performers to receive guidance in our own community from experienced professional adjudicators who come here from all across Alberta and Saskatchewan.

The Festival, with the generous support of community donors, makes it possible to provide awards and scholarships annually to outstanding individuals and groups to encourage their ongoing development as performers. Many students pursue extracurricular workshops with financial assistance from Festival awards. We encourage all festival participants to take advantage of this opportunity by completing the scholarship application found on our website. Each year exceptional performers are selected to gain additional experience by participation in the Provincial Festival.

## Reanna Maitland

Reanna Maitland is a passionate and dedicated teacher of the Cecchetti Method of Ballet.

Her love for dance has taken her throughout North America, where she has had the privilege to study, teach, and perform.

Currently, she is the Head of Ballet and Artistic Director at two dance schools. In addition, she is an Examiner for the Classical Ballet Progressions of Canada and the founder of Live to Dance, where she organizes unique dance events, conventions, and competitions throughout Alberta and British Columbia.

After earning her 200-hour yoga teaching certificate in Costa Rica, Reanna developed Ballet Form Yoga. This teaching method blends her passion for yoga and ballet to enhance her students' body awareness and strength.

It's been a privilege for Reanna to have taught numerous aspiring dance professionals now performing and teaching worldwide. Her former students have enjoyed professional careers with cruise lines and dance companies, including Cirque de Soleil, across Canada, the United States, and internationally. As someone who champions the development of teachers, it's particularly rewarding for her to see her dancers sharing their passion globally through teaching.

As a certified dance adjudicator, Reanna enjoys sharing her knowledge and enthusiasm for dance by judging at dance festivals and competitions across Canada. She is grateful to have turned her passion into a career and hopes to inspire the same love of dance and movement in all the dancers she teaches and adjudicates.

## Lindsay White-Thornton

Lindsay hails from Edmonton, Alberta and has been involved in the dance industry for over 35 years as a pupil, performer, instructor, choreographer, mock examiner, and adjudicator. These many training, performing, and teaching experiences have allowed her the fortune of immersing herself in a wide range of dance genres, including Ukrainian, Musical Theatre, Tap (Al Gilbert), Jazz, Lyrical, Ballet (Vaganova method), Modern, Contemporary and Hip Hop.

As a pupil and performer, Lindsay completed her Al Gilbert Graded Tap System exams through to Grade 9. She now acts as a Mock Examiner for studios around Edmonton, Alberta, as senior students prepare to complete their exams in this system. Lindsay trained primarily in St. Albert, Alberta, and had the opportunity to augment her training attending workshops and performing around Western Canada and the Northern US.

It became clear to Lindsay at a young age however, that her passion lay in choreography, storytelling through movement, and helping fellow artists develop technical excellence. Lindsay is a teacher and educator to her core.

Obtaining her Bachelor of Education degree with Distinction in 2011, Lindsay now teaches junior high and high school within the Edmonton Public Division. She instructed dance in the Vimy Ridge Academy Dance Program from 2000-2022, and now finds herself the Department Head of Student Leadership, teaching English Language Arts and Leadership to students from Grades 7-12 at Vimy Ridge Academy. Lindsay continues to share her passion for movement and storytelling with dancers young and old as a part of the creative team at Dancefusion Academy of Dance in Sherwood Park, and has had the privilege of sharing her love of dance as an adjudicator for the last 15 years in festivals and competitions throughout Western Canada.

In all facets of her life, the sharing of stories has always been a fascination, a passion, and a necessity. And while the ways in which we share our experiences with the world are many, of them all, dance is her favorite!

She looks forward to immersing herself in the performances as dancers showcase their hard work and dedication to the craft this weekend, sharing positive, uplifting, and meaningful adjudications with dancers and their families.
