Girls State is a citizenship education program **privately sponsored by the American Legion Auxiliary Department of Arizona** open to junior girls in high school. The American Legion Auxiliary Girls State program is a nonpartisan participatory program that teaches eligible high school females responsible citizenship. It educates young women on the privileges, rights and duties of American citizenship in order to grasp an understanding of the responsibilities they will assume as adults. Girls State is a positive and tangible program in Americanism.

American Legion Auxiliary Arizona Girls State was established by the American Legion Auxiliary in 1947, and is an annual program designed as a practical experience in self-government, based on Arizona State Government. Girls State is non-partisan and non-political, in that no existing party is promoted.

The purpose of American Legion Auxiliary Arizona Girls State is threefold:

- *** To emphasize the importance of government in modern life.
- *** To educate young women in the duties, privileges, rights and responsibilities of American citizenship.
- *** To awaken a sincere conviction that a well-informed, intelligent, participating citizenry is vitally needed to protect and preserve our American institutions and our democracy.

These goals are achieved by actual participation in a simulation of the political and governmental process.

American Legion Auxiliary Girls State is designed so that each citizen may participate in the programs electoral process, have an opportunity to hold public office and be encouraged to share in the formulation of public policy within the program. Each citizen can be a definite and integral part in the function of American Legion Auxiliary Girls State and will have an opportunity of learning for herself that government is what she makes of it. It is the hope that American Legion Auxiliary Arizona Girls State citizens will complete the program with a mature appreciation for the basic strengths and weaknesses of the American system of government. It is further hoped that these young women will have a firm resolution to make government an effective and responsible servant of the people, and that as citizens, they will exercise the many rights accorded them.

It is an honor and privilege not a **right** to be selected to attend Arizona Girls State. **A girl selected has the right to decline the invitation if uncomfortable with requirements and objectives/observances of the program. A girl is not forced to attend this Auxiliary program and attends with the full knowledge of what will be expected of her as a delegate.**

The 2025 American Legion Auxiliary Arizona Girls State program will represent 198 high schools in Arizona. The girls will live as self-governed citizens **with adult supervision** during the full period of Arizona Girls State. Arizona Girls State personnel are in attendance throughout the entire session. Capable women and counselors will supervise the delegates.

Citizens will not be allowed to leave the campus area assigned to Arizona Girls State as they are covered by Girls State insurance only when in these designated areas.

Any girl guilty of misconduct or leaving a designated area, except with the permission of the Girls State Director, will be subject to immediate dismissal and school notified of girl's action. Security of all participants is most important and practiced through established American Legion Auxiliary Arizona Girls State rules, policies and code of conduct.

Arizona Girls State, and University of Arizona waives all liability for any illness or injury.

Upon arrival each Delegate is a Citizen assigned to a mythical City, County and Political Party.

NO ONE on staff receives any compensation from this fee.
