New Programs for Kids and Programs for Adults

With a new year comes new programs. Ms. Jeana has added two new programs for kids starting this month. The first new program is Milk and Cookies Club (Wednesday January 3rd). This is going to be a book club for kids ages 7 and up. We will read and talk about books all while having milk and cookies. This club will meet on the first Wednesday of every month from 3:30–4:30pm.

Our second new program this month is Icy Science Experiments. This program is for kids of all ages on January, 17th from 4:00–5:00pm. During this program we will be doing experiments with cold, ice and water. Be sure to wear old clothes for this program it could get messy!

Programs that we are going to have for adults this month include painting for adults and movie night for adults. We will be having our painting for adults program on Tuesday, January 9th and Tuesday, January 23rd from 2:00–5:00pm. There is no cost to participate in this program and we provide the supplies. Our movie night for adults will be on Friday, January 12th and Friday, January 26th at 5:00pm. Be sure to check our website (www.bcplibrary.org) and our Facebook page (<https://www.facebook.com/breckinridgecountypubliclibrary/>) to see what movie we will be showing during movie night.
