Dear Families,

February 2020

Can you believe that it is already February!?! Please select 1 or 2 days to provide a 2 part snack. The signup sheet for snack is located on the information board above our cubbies. A two part snack contains either a fruit, vegetables, cheese, or grain. Examples of a two part snack would be apples and crackers, celery and raisins, grapes and cheese sticks, ect. **Please remember that we do have a friend in our class that is allergic to peanuts so our room is a PEANUT FREE zone.**

With the beginning of the month please check your child's cubbie to make sure there are changes of clothes that fits for your children in case they have an accident or get messy with an activity. This includes socks, underwear, and diapers.

During this month we will be talking about our community helpers as well as our oral hygiene since it is national dental month and community helper month. We will be having chapel time February 3, 11,27th.

I am so blessed to be able to be apart of your child's life! Please do not hesitate to reach out to me if you have any questions, comments, or concerns!

Live loved,

Ms Kayla
