THE ELIXIR OF LIFE

In addition to its benefit of aid to health and well-being is very useful as a temporary tint for the m'ladies' fine lingerie and a substitute for Rose Water and glycerin in the Toilette. The Elixir of Life renders the breath sweet, is harmless to plants and plumbing and is non-flammable.

Professor Eastman's Elixir of Life looks like Kool-Aid, smells like Kool-Aid and tastes like Kool-Aid

Because it is Kool-Aid

Earl Eastman's Doctor advised him to move to a less stressful place to recuperate from back surgery. On a snowy Christmas Day in 1955 he moved his family from Seattle to Orcas Island. His son Bob Eastman was in the 7th grade and remembers sledding down a hill near their new home on Eastman Road. The first year Earl and his wife Frances got jobs at the school. Earl as Custodian and Frances in the cafeteria. In 1956 he began coaching gymnastics in the Quonset gym.
