

THE CHRISTMAS SEASON IS COMING AND OLD MAN WINTER TOO!

*2020 has been a strange year to say the least... what with the Covid crisis, the election, and all of those who lost their lives to the pandemic. We pray that a vaccine will soon be available for all of us and that we can put this disease behind us. We will never forget however and are mindful of those who may have lost a loved one or someone they know to this terrible disease. May God bless you now.*

*We appreciate all of you who entrusted us with their home projects and allowed us in their homes during this time. We wore our masks and practiced social distancing throughout the process. Another year of building dreams a reality for our customers. We love what we do and love to make our customers happy! Thank you.*

*Now the Christmas season will soon be here and it's time to remember and help those in need, and make it a special time for our children and grandchildren. Explain to those who don't know that Jesus is the real reason for the Christmas season.*

*Winter will soon be here too. Remember to wrap those pipes, disconnect your hoses in the yard and bring in your pets.*

*We at Williams Renovation want to thank you again for your business and wish you a Merry Christmas and a Happy 2021!*
