

Hello everyone. So glad that the world has reopened, and things are going back to normal. Well, it's never been a normal world but normal enough lol. We had our poker run and thank you to all that showed but the biggest thank you to all our members for stepping up working cooking. Cleaning. Man watching u all work had make me tired. Hahaha thank you all so very much.

Really not a whole lot extra this month. So short sweet and to the point. Be safe ride free and watch out for the idiots out there.
