A Note from Artistic Director Julie Hebb

Welcome to our eleventh annual Spring Dance Concert and thank you for coming! It's hard to believe that we have moved into our second decade of dance at the studio and I'm so excited for what's ahead! It feels like it was just yesterday when we opened our doors in Kittery, and now here we are in 2023. Last year was full of changes as we relocated, and this year continues to be just as exciting. With an expansion in sight, I am thrilled to move into the coming 2023-24 season, and year twelve of The Dance Annex Studio! The dancers have been absolutely wonderful this year! I cannot thank them enough for their commitment, ingenuity, originality, and passion.

Here at The Dance Annex, we not only hope to give our dancers age-appropriate technical training, but also foster and encourage personal growth through dance. This year was one of creativity as I asked many classes and dancers to be a part of the choreographic process for their dances. This creative thinking opens the door for so much development—encouraging them to think about their own movements, how choreography becomes a dance, and how to work independently and together within the group. The dance studio is a place for so much learning! And all the students at The Dance Annex have undertaken so much and have shown such growth. We are so proud of them!

Our professional staff of dance educators have gone above and beyond working with and challenging their classes this year. Thank you, teachers, for your guiding voices, creating the space to allow each dancer to grow, and for all of your outstanding work! And congratulations dancers for rising to the challenges each week!

I am looking forward to another decade of dance! Thank you, staff, dancers and dance families. The achievements of the studio happen only with all of you.

Thank you to all who helped make our 11th dance year and production possible.

Faculty: Julie Hebb, Audrey Eastman, Kacie Friberg, Janelle Abbott Staley
