 Course Harbor Pines White (69.5 /124)  
 Weather Sunny Near 50 Windy

Bruce continues his hot streak with a 5 shot win over JR. It was a great February day - near 50 and bright blue skies but it was very windy - seemed like we were into the wind on most holes and challenging cross winds on the others. Greens had lots of undulation and were well guarded with bunkers. This is a great layout with plenty of water in addition to the tough greens.
