

Ryan Molloy

Blue Mountain Ski Patrol

E102-250005

### Position Statement

My patrol history includes five years of patrolling at Blue Mountain Resort in Palmerton, Pennsylvania. Over those years I have devoted a large portion of my life to both the local patrol and the region. I am a current OEC, toboggan, and lift evacuation instructor. I also am an OET trainer evaluator for the Eastern Division of NSP. Mountain Travel Rescue and Avalanche are sections that I have involved myself in as an instructor candidate. Near-future endeavors, meaning next year, include me going for Certified, OEC TE, and PSIA Level II.

To be an effective representative of anyone, a leader must consider individual opinions and sometimes seek out opinions that would not be heard otherwise. There were very few weekends this winter where I was not at some form of event. In these events, I met and had some quality conversations with many people. Through doing this, I gained knowledge and discovered different perspectives on controversial issues.

I am nominating myself for the Eastern Pennsylvania Region Delegate at Large position because I would like to represent and better my region and its members. I believe, through my instructing and other involvement, I would be effective representative for the EPA Region.
