

CCBA - Certification of Capability in Business Analysis

OVERVIEW

Want to make sure that you are ready for the CCBA® exam and increase your chances of passing it on the first try? This comprehensive workshop will prepare you well and help making the most of the limited time you have for studying.

The course is aligned with the Business Analysis Body of Knowledge (BABOK® Guide) version 3.0 and includes sample exam questions to make you ready. Additionally, you'll learn test-taking tips and strategies, along with other practice exercises to reinforce the material.

COURSE OBJECTIVES

- Introducing the business analysis best practices.
- Increase participants' confidence and improve their chances of passing the CCBA® certification exam.
- Streamline the massive amounts of information required to pass the test.
- Practicing exam questions to keep participants engaged and aid in their retention and learning
