

Hey Region 20... How is everyone doing? I hope everyone is doing well and enjoying the weather as much as they can.

Last months meeting as you know was at bus's house. We are looking for a new location to hold our meetings but for now the meetings will remain at bus's house. Just to recap the last meeting: We are looking to put a ride together more will come on that; Congratulation to to Too Tall for becoming a life member; Welcome back Kelly! Good to have ya back; treasury report was read and with no prior meetings there was no secretary report. As you all know as of July 1 2020 our motorcycle insurance has changed and the insurance reform was discussed, again more to come on that as well. Meeting was ajourned at 2:55 and thanks to all who came.

In the legislative front Jim Rhoades drafted a letter for any motorcyclist to sign, non-abate are also encouraged to sign. This letter will show our legislatures that this insurance reform bill SB-1 is a bigger problem then they realize and that motorcyclists other than ABATE members are aware and unhappy. Anyone willing to help talk to your fellow riders or member who would be willing to sign the letter; please get ahold of me or the RC. We need your help.

Our condolences go out to the family of Kevin Hall. We were deeply saddened to hear of his passing.

Next meeting will be on July 26, 2020 at Mark "Bus" Bergers house at 2pm. Hope to see everyone there. Hope everyone had a great time at field meet. Just want to take a sec to wish my lil biker kiddo Rebecca "Puddin" Bouvrette a happy 6th birthday on August 14th. Till next time.... Ride safe.
