

Pamela Powell, PT, CCRP

Pam graduated Magna cum Laude from Northeastern University in 2000 with a Bachelors of Science in Physical Therapy. She has focused on orthopedics and sports medicine since graduating, and has been working at All Access Physical Therapy in Shrewsbury since 2005.

As a lifelong animal lover, she was inspired to begin her Canine Rehabilitation training at the University of Tennessee in 2011 after losing her shepherd mix Roger to cancer. She became fully certified in 2013 and joined the team at K-9 Hydrotherapy. Pam loves helping her two-legged and four-legged patients lead a healthier, happier life.

Pam spends her free time with her dog Bonnie, a hound mix rescue from Tennessee.
