

Stop Pulling Weeds

"Yet God has made everything beautiful for its own time. He has planted eternity in the human heart, but even so, people cannot see the whole scope of God's work from beginning to end" (Ecclesiastes 3:11).

I just got done shearing bushes and trees that I should have done a long time ago! Weeds and vines had begun to wrap and tangle themselves all over my fence. I found myself just clipping and hacking away. I realized it didn't matter how much I clipped or pulled unless I took a shovel and dug up the ROOT it would all be back again before I blinked my eyes.

The Holy Spirit spoke to me at that moment and said, "Stop pulling weeds in my kingdom Hannah. Get out a shovel and uproot them." **IT IS TIME TO GET OUR HANDS DIRTY!**

There is no more room for the weeds of sin and compromise to entangle the body of Christ. We need to quit pulling weeds and putting bandaids on things. No more milk beloved. It is time for us to stand up, grow up, and do the work! Big love everybody!
