

Children's Survey  
I'm Thumbbody

The Thumbbody Program taught me that ...

I should talk about my feelings And not say bad things about people. also feel good when I am.

The Thumbbody Program taught me that ...

It taught me it's ok if you can't do something don't give up. And to be nice and respectful.

The Thumbbody Program taught me that ...

It's ok to be different.  
And no matter who you are  
you're special.

The Thumbbody Program taught me that ...

I need to not give up when I'm struggling with learning or doing homework.

The Thumbbody Program taught me that ...

It helped me make good choices and think good about myself.

The Thumbbody Program taught me that ...

To be nice, to get along with each other.

The Thumbbody Program taught me that

I should think positive about myself and I should be nice if I want to have a friend. It doesn't matter if I am not good at something because I am good at something else.

The Thumbbody Program taught me that ...

To be nice and treat other the way you want to be treated. Don't just give up when something is hard. Be happy that you are yourself. Respect yourself. You ARE GREAT!

Children's Survey  
I'm Thumbbody

The Thumbbody Program taught me that ...

I should be me, help others, and give it my all. Never give up and don't say or do something mean.

The Thumbbody Program taught me that ...

I need to encourage others that who can't do things as well as I can.

The Thumbbody Program taught me that ...

Taught me to love myself and be kind to others. They also taught me that I'm different than every one.

The Thumbbody Program taught me that ...

that I am special and no whom is like me!

The Thumbbody Program taught me that ...

I should believe in myself and respect others.

The Thumbbody Program taught me that ...

it is important to have mental health.

The Thumbbody Program taught me that ...

Nobody has the same finger print in the world!

The Thumbbody Program taught me that ...

Negative was bad and positive is good.
