PHONE DIRECTORIES

1) The 2015 SIV neighborhood directory is being delivered with this packet. 2) The Green Valley Council has ended its sponsorship and we will no longer be delivering the phone book typically distributed in February. This resulted in 55% reduction in annual revenue for GVC. The Council has formed a Committee to investigate options to generate another permanent source of revenue. They welcome your ideas. If you would like to participate, please call the GVC at 648-1936.

CAMINO DEL SOL REPAVING

A portion of \$1 million allocated from the General Fund to Ray Carroll's District will be used for the repaving of a section of Camino del Sol. This was the next street on GVC's list of priorities based upon high traffic use. Repaving will not take place until April-May when weather conditions improve.

PREFERRED VENDOR PROGRAM

Every year GVC fields requests from HOAs and individual homeowners seeking referrals for qualified businesses, vendors and service providers. GVC has instituted the Preferred Vendor Program (GVC-PVP) which will list businesses with a good record and make these names available to residents who call for referrals. They will not make recommendations but will provide homeowners easy access to the names of proven high-quality businesses and vendors exclusively for the use of residents in GVC-member homeowners association. The PVP Director, Lynda Campbell has a list of over 100 vendors that have been vetted. Whatever help you need for your home or yourself give her a call first at 444-6760 or email her at: pvp@gvcouncil.phxcoxmail.com.

Qualifications: GVC Preferred Vendor Program Director will conduct a background check on all businesses applying for membership. The check will include reference verification, Better Business filing, and where applicable a review of licenses and insurance. The database will be updated regularly with homeowner feedback about service quality. Each vendor/service provider is retained in the program as long as the quality of their service remains high. Each provider in good standing is also eligible to renew their membership GVC-PVP annually.
