CLIPr

Our Generative AI increases police force productivity by 25% by cutting in half the time required to generate police reports

Document with

CLIPr

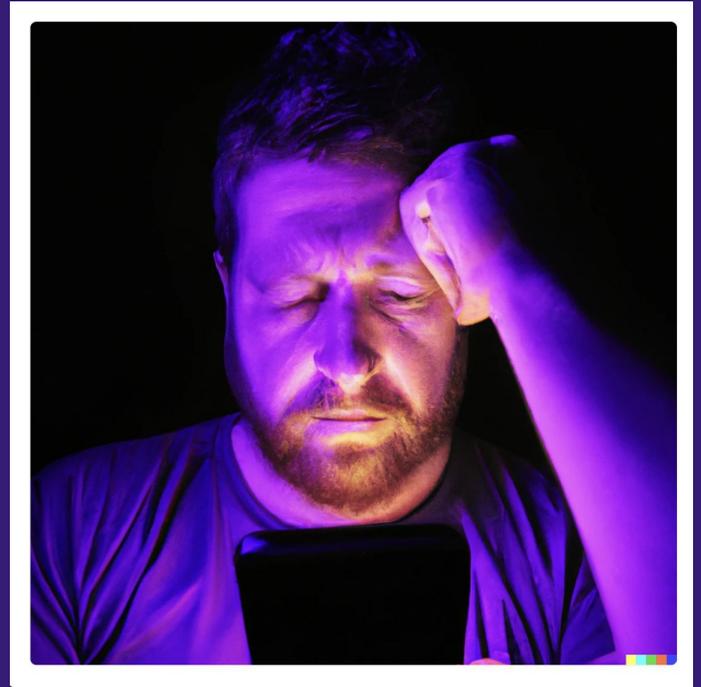

Our Generative AI increases social work productivity by 17% by cutting in half the time required to document

THE PROBLEM

Majority of police departments are understaffed PLUS...

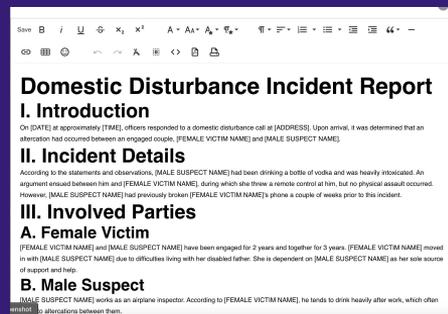

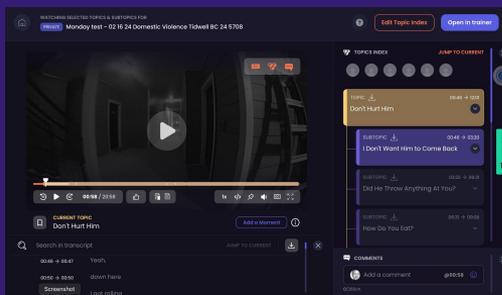

Incident documentation is now often > 50% of an officer's time

Thousands of hours of BodyCam video are recorded daily - all of which must be documented.

THE CLIPr SOLUTION

CLIPr automatically indexes & recaps BodyCam video -then quickly generates draft police reports

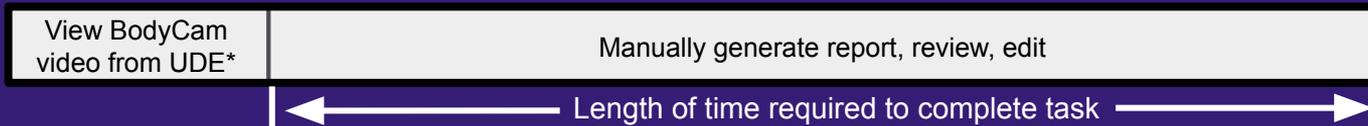

Result?

Officers spend 50% less time on documentation!

Cut your officer documentation time by up to 50%

Domestic Disturbance (Altercation between engaged couple)

The male suspect (the victim's fiancé) had been drinking a bottle of vodka and was heavily intoxicated. The female victim and the male suspect had an altercation/argument. The female victim threw objects (remote control) during the altercation but did not physically assault the male suspect. The male suspect did not physically assault the female victim, but he had previously broken her phone a couple of weeks ago. The neighbors likely called the police due to the disturbance.

Relationship Details

The male suspect and female victim have been engaged for 2 years. They have been together for 3 years. The female victim moved in with the male suspect due to her disabled father being difficult to live with. The male suspect is the female victim's only source of support and help.

Male Suspect's Background

The male suspect works as an airplane inspector. He tends to drink heavily after work, which leads to altercations with the female victim.

Victim's Statements

male victim did not want the male suspect to get in trouble. claimed that the male suspect usually treats her well and that this was an isolated incident due to his intoxication.

Child Interview: Isabella's Bruise

Save B i U x₂ x² A AA A* A* “ ”

Interview with Isabella (victim of alleged assault by teacher)

Isabella, a young student, was interviewed by a school officer regarding an incident involving her teacher, Miss Gray. Isabella had a mark/bruise on her arm.

Isabella explained that during class, Miss Gray grabbed her arm very hard when Isabella tried to be first in line to play with the class guinea pigs. Isabella said Miss Gray dug her fingers into her arm and pushed hard, causing pain. Isabella tried to pull away, but Miss Gray dragged her to a table to clean up some work. After letting go, Miss Gray allowed the class to go out and play, and Isabella got to hold the guinea pigs.

The incident occurred in the classroom with all other students from class 3B present. Isabella stated this was the first time Miss Gray had grabbed her arm too hard.
