UPDATE

Dear Parents,

Final assignments (May 11th – May 20th) are posted on the Homework Assignments link below.

Please review the DROP OFF and PICK UP instructions and dates/times. If you have any questions, you may contact your student's homeroom teacher.

Kindergarten graduation photographs will be taken on Monday, May 11th. Information has been forwarded to kindergarten parents. Please review the procedures and follow the guidelines.

Eighth grade DROP OFF day is Monday, May 11th. Please review the procedures that were sent to our eighth graders' parents. We are also working on the details of how we will handle the graduation, and we are asking our graduates and their parents to set aside May 16th as the date we would like to hold the "ceremony" (which at this time will probably be a drive-through type of procedure with special components to honor our graduates). We are awaiting the governor's mandates which are scheduled to be broadcast on Monday, May 11th. After we are informed of the state's directives, we will confirm the handling of our graduation and notify our Class of 2020.

Please call the office phone number (985) 641-3363 Mon.-Fri. between 9:00 AM and 3:00 PM if you have any questions. Thank you for your continuous support, and we appreciate all the wonderful comments and notes during this Teacher Appreciation Week. We love our teachers and our Lake Castle families!
