Fill out this form for the 2025 Charters you want. Be sure to fill in your name, email address, and contact number. In the event the trip is cancelled, the charter master needs a number you will answer that day. If a trip fills, we are taking a list of standby people for every trip as we have cancellations. Copy this form for your guests and they need to provide it filled out too. Charter masters will vary. **Printed date is the date you will be fishing.**

**Policy for disabled members:** At the discretion of the Charter master, disabled individuals may be required to provide their own assistant for saltwater fishing events. The assistant will be counted as part of the full load, will be charged full fare, and must have a fishing license. As the purpose of the assistant is to assist the individual with a disability, the assistant may be allowed to fish when the individual with a disability is not fishing or has been deemed independent by the Charter master. If the assistant is not at the rail to assist, the disabled person may not fish. The disabled individual will provide their own gear/tackle or will be required to rent it. In the event that the assistant is not available at boarding time, the disabled person will not be allowed to board and they will not receive a refund unless the 2 spots are filled. If additional equipment is needed for accommodation, it must be cleared with the Charter master and boat before the reservation is accepted. For a free/reduced-fee California fishing license, Individuals with disabilities are encouraged to visit the Website [https://wildlife.ca.gov/Licensing/Fishing#44521417- free--reduced-fee](https://wildlife.ca.gov/Licensing/Fishing#44521417-free--reduced-fee) at least four months in advance of the trip to allow for processing time.

**2024 Saltwater Charter Reservation Rules:**

1. All club charters are available for reservation immediately.
2. Full amount will be required to confirm your reservation for any trip.
4. No refunds until the Charter is full & the Club has been able to sell your reservation. The Club makes no guarantee that we will be able to fill your reservation once the Charter is full. Changes MUST go thru the Charter Master.
5. All charters are open to members and their invited guests.
6. If you need to cancel a charter reservation it must be done in writing, text or email to Denise Davis. Once you cancel you cannot change your mind and show up for the trip.

Departure times are tentative. They can change if everyone shows up.

I ask that younger more agile members and guests take the upper and lower bunks leaving the middle bunks to the more senior(age) members and guests.

Due to limited tackle box space, please consider bringing smaller or soft sided tackle boxes.

THE CHARTERMASTER RESERVES THE RIGHT TO OVERBOOK THE TRIPS BY ONE-TWO PERSONS TO ENSURE THE CLUB DOES NOT LOSE MONEY.

Each trip stands alone. By that I mean each trip is a separate entity. You can write a check for multiple trips.

Bring your own bedding on trips, wear masks...protect yourselves. The Club will not be held responsible. Do not show up sick. The Charter master has the right to cancel your trip if you are sick.

All Club members and guests are expected to abide by the Department of Fish and Wildlife rules.

You will be contacted prior to each trip, usually by text. Each trip is best fishing available.
