*"Multiplication, Edification, And Duplication of Christ's Disciples"*

March 13<sup>th</sup>, 2020

Dear Berean Family Worship Center Members,

*Grace and peace be multiplied to you and your families in abundance!*

We believe you are already aware of the developments concerning the Coronavirus (COVID-19) and that it has become a major worldwide concern. With the recent increase of infections globally, we understand that you will have questions and concerns related to this dynamic situation. We understand some counties, states and countries have banned public gathering and events including some religious services. While we are monitoring these situations on a day to day basis, we want you to know your wellbeing is in the forefront of our thinking and every decision we make.

We will continue to align with the *Word of God*, the World Health Organization (WHO) and the Centers for Disease Control (CDC) for aggressive prevention and directions we need to take. Based on this collective guidance, we suggest the following practices to provide the best defense against the spread of this contagious illness:

\* PRAY – lay hands on your own body and anoint with oil & Stay on God's WORD - **Psalms 33:18-19**  
"Behold the eye of the Lord is upon them that fear/reverence Him, upon them that hope in His mercy; To deliver their soul from death, and to keep them alive in famine – from coronavirus" Psalms 33:18-19ap!

**\* Stay home and seek medical assistance if you are experiencing any flu-like symptoms.**

**\* Follow the guidelines outlined by the WHO, CDC and other Government Officials.**

**Actions implemented by BFWC:**

\* PRAYER – Day and Night, Night and DAY!

\* We have instructed the office teams to conduct regular cleaning and sanitizing of frequently touched surfaces.

\* Our cleaning contractors will continue to monitor all areas of each facility for cleaning and sanitation purposes.

We realize there is a great deal of misinformation circulating about this virus. Again, please rely on credible sources for updates and don't panic with all the random media postings.

Based on our faith in God and His WORD, the guidance we are following from the WHO; CDC and other Government Officials, we have made the decision to cancel all services in both campuses until further written communication.
