SUMMER NEWSLETTER

MAY 2018

I hope everyone had a safe trip home!!! I would like to thank every resident for a GREAT 2017-2018 season it was very busy and enjoyable for everyone.

Well we started this year off pretty wet with a very wet May, the recorded rainfall for our area for the month was 12.39" . normally May is a dry month

Pictured above is the new concrete that was poured at the Firehall. the old concrete was cracked and in bad shape. We also removed the grass in between and replaced with concrete.

We also performed a stain treatment on the pool, we had to close it for a week. It was shut down and chemically treated, the staining loosened up and was vacuumed and filtered out and then the pool was rebalanced .

We worked on the porch of the Hobby House and replaced and rebuilt all of the old termite damage and drywalled the entire porch.

The Paving crew began roadwork to repave streets on Wednesday May 30th. They are repaving 4th, 9th, 18th, 11th street and the north side of Busch Hall. All the millings from our road work are being installed on Golfview for roadways on row's 60 and 70.

Pictured below are the awning pads being installed on Golfveiw row's 60 and 70

Rebuilding Bathroom in Hobby House. Reframed walls ,replaced floor, drywalled. Also new flooring and toilet (Looks Great !!!) more pictures to come.

Completely tore apart Paul Rife room and remodeled. new walls ,insulation, drywall ,floor, ceiling, bathroom and A/C.

Here is a preview of our shirts, golf shirts, jackets, bags and hats . we will be putting together a catalog of all of the products with the new TR logo on them that you will be able to order from.

look for next months updates for more progress.
