## **RECYCLING:**

The pounds per household is calculated by the tons collected for the quarter, divided by 3 months and then divided by the current number of households which is currently 881 households. We have an average 477 households that recycle. The more you can recycle and can encourage your neighbor the better our program becomes.

We do have additional bins available for recycling, please call the Town Hall and let us know you need an additional bin.

In 2020 Marysville Township Recycling totals are as follows:  
Quarter 1 – Collected 21.32 pounds per household per month.  
Quarter 2 – Collected 21.36 pounds per household per month.  
Quarter 3 – Collected 20.81 pounds per household per month.  
Quarter 4 – Collected 21.51 pounds per household per month.

Wright County’s goal for Townships is to collect 35 pounds per household per month.

Recycling calendars were mailed in February 2021.

Recycling is picked up curbside starting at 7am. Everything can be mixed together in the Mumford Sanitation recycling bins. If you have questions about pick-up, please call Mumford Sanitation at 320-543-3601.

Recycling is taken to the McLeod County recycling center, where it is sorted and distributed. The more we recycle the better for the environment and it can even reduce your garbage bill.

**ANNUAL MEETING/LEVY:** The Annual Meeting was held immediately following the closing of the election polls on March 9<sup>th</sup>. This meeting was conducted by an appointed moderator, Fred Bonk, and the Board was there to provide information and listen to residents’ concerns. Andy Hirsch was elected for Supervisor on a 3-year term with 66 votes. The Townships financial status, road maintenance and operating needs for the future were topics of discussion. These issues can directly affect the levy amount for the following year.

2022 Annual meeting will be March 8<sup>th</sup>, 2022 at 8:15 pm with bad weather alternate date to be March 15<sup>th</sup>, 2022 at 8:15pm.
