

## **SUPPLY LIST FOR CATHEDRAL WINDOW CLASS**

- 1. At least eight 9" squares of 100% cotton muslin (or background cotton fabric of your choice). Accurate cutting is VERY important. I like to wash the fabric to take care of any shrinkage before working with it.**
- 2. Scissors**
- 3. Iron and ironing pad**
- 4. Hand quilting thread**
- 5. Hand sewing sharp needles**
- 6. Thimble**
- 7. Rubber needle puller which will help pull needle through fabric if you need that help. A 2.5"-3" square cut from a pair of rubber gloves works well.**
- 8. 2.5" cut squares of your chosen cotton "window" fabric.**

Please call me if you have any questions at 615 848 4565. (Joan Harris)
