

EYE OF THE LORD IN CURRENT EVENTS

November 20, 2022: For those of you who have never prayed with this ministry or understand what we are about, this page may seem strange to you. It is an intercessory prayer page. Our Lord has an eye in prayer which we, as humans, do not have unless He gives it to us. This page, as it updates, will share items to pray for, which we may know nothing about yet.

For those of you who are not Christian and you landed on this page, click on the 'Who is Jesus' button. That page will help you more than this page will. Click on the Prayer Request/Contact Us button and we can pray with and for you.

As some of you know, I teach on many biblical subjects for our ministry. We teach discipleship for new believers as well as subjects for those who have been saved many years. As I mentioned in the previous paragraph, if you have never asked Jesus into your heart, this page is not for you. For those of you that have never prayed with an intercessor group, especially concerning prayer for the nations, this page may also be a bit difficult to chew. Head on over to the lessons on prayer. That would be the page with the chestnut colored horse icon. Click on that and it will take you to foundational lessons on prayer. We have already been through two, so you are not late at all. You can catch them on our Archives Tab on the home page drop-down. On a mobile device they will be at the end of the list under months/prayer/22.

You will also want to read the July 22 article on the grace of God. It is impossible to function in our Christian life, let alone pray, without a decent understanding of what God's grace has accomplished for us. That article is entitled, "Jesus Constantly Sustains." The reason why I'm writing this is as a pastor, I understand what people go through in their Christian walk. What is going on in America is so far from what our founders intended and what our covenant with God endorses that unless you understand that history, you will be discouraged and unwilling to

pray in faith. It's almost easier if you were a baby Christian learning the first principles of God.

This is why so many people who claim Christ cannot see that the Democrat Party in America has become totally communist. I realize some claim socialism instead. What they don't realize is that according to science, socialism can never work, and according to the depravity of man—which is taught in most bible colleges—socialism always leads to communism. I have proven that in many of our feature articles. The Democrat Party is beholden to satan and his motives at this time. I can prove that. Let's face it, any group who makes laws that babies can be killed up until the ninth-month gestation in their mother's womb has to be following satan. Even then some are enacting laws that allow abortion outside of the womb; which, by the way, is no longer abortion but infanticide. But let's not split hairs: The reality is you can't claim Christ or Christianity as your source at that point, but the one Jesus says desires death, who is satan. Here is what Jesus said: "The thief cometh not, but for to steal, and to kill, and to destroy: I am come that they might have life, and that they might have it more abundantly" (John 10:10).

Jesus was talking about Himself as the true Shepherd, saving the sheep. Without a very real understanding of the Bible, you will not be able to see any of that. It would be a waste of your time and mine for you to try to pray without coming to a real understanding of how to ask Jesus in your heart. By the way, it's easy. The Bible says this in Romans 10:9-11: "That if thou shalt confess with thy mouth the Lord Jesus, and shalt believe in thine heart that God hath raised him from the dead, thou shalt be saved. For with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. For the scripture saith, Whosoever believeth on him shall not be ashamed."

So if these subjects are not items you understand, just stop reading right here. If you go on, please do not be shocked or derogatory with what I am getting ready to share. For proof of some of the statements I will make, you can read many of the footnotes in the articles on this site.

This country was started from church governmental documents.¹ Church governmental documents are based on the covenant seen within the pages of the Bible. Our Bible contains two different covenants housed inside one compact. Our US Federal government is run by a political covenant with three parts housed inside one compact. Our governmental covenant is unusual, to say the least. The word federal means covenant. In our case it is a political covenant between the federal vehicle, states and the individual people, who are dual citizens of both the federal and state boundaries.

Within this political covenant, individuals are encouraged to have a religious covenant of their choosing, and invited, through their free speech rights, to maintain that religious covenant through their freedom of religious rights within the governmental apparatus of both federal and state covenants. It is representative within its nature. That means we send representatives to represent us individually at both legislatures of our states and federal government.

As a result, when we pray, those of us who have a covenant with the God of the Bible, can ask Him in to our political covenant with our governmental representatives. When they lie and cheat, we can ask for His help. He, also, has some rights. No doubt, we receive a much better benefit than God does; that's the nature of a covenant itself. The lesser inside a covenant gains the strength of the greater. Nevertheless, when Jesus asks us to pray, we pray with confidence and His strength; that's the nature of our covenant with the God of the Bible. It is an awesome relationship.

The question I get asked sometimes is, "How do you know what God asks you to pray?" There are several ways in which God speaks. One, He speaks through His word, the Bible. Two, He speaks through His rhema word, or through the voice of the Holy Spirit. Three, He speaks through preachers, prophets or other people; either directly to you or through your listening to a sermon or other lecture. Four, He speaks in

¹ I prove this through 698 pages of my 2016 book, "70 Years of American Captivity: The Polity of God, The Birth of a Nation and The Betrayal of Government." You can pick up a copy from this site or on Amazon.

dreams or visions. Five, He can speak through angelic sources. Six, He can speak through circumstances; but, so can the enemy. This is why that last avenue must be analyzed carefully.

Once you have established your communication with Jesus, you must sit still long enough to hear Him. Once you are comfortable in knowing His voice, you can easily hear what He is asking of you. The Lord has asked us to pray to avert war during this holiday season in America. One morning I awoke to the intense knowledge that China would invade Taiwan during the holiday season if we did not pray. As well, I felt as if we had to pray to avert war in so many other situations for America during this time period— Ukraine and Russia not being the least of them. I contacted the intercessors as soon as I could and we have been praying such, after confirmation from the Lord.

Next, an angel downloaded a word to me to declare for as long as it takes. This is the word: “Every law that Joe Biden has enacted will be redacted because of the illegality by which he was made president.” So we declare this in Jesus’ name. For you to realize that, all you need to do is watch the proof in a documentary.² The reality of the voter fraud in the 2020 election was seen up close and personal in Arizona and Nevada’s

² 2000mules.com Is the website you can see this documentary. It was just on Daystar channel recently, where you could have watched it for free. You can stream it, buy DVDs, or catch some other free venue. If I know of any, I do have some of your numbers, and I will text you. They have tried to discredit this documentary. The problem they are having is that the technology that the Left used to cheat by over 800,000 to 1,000,000 votes is the same technology that was used to catch them. That technology is the same tech our military and police use to catch criminals. Even China uses it to track their people. In fact, during the documentary the producers came upon evidence of an almost cold-case murder. They turned it over to the Trump FBI and they were able to put two murderers in jail because of it. Obviously, the Left’s propaganda apparatus can only lie to you and tell you the technology is no good. Once you watch this, you will realize— like so many of us have realized— we have been betrayed by the communists in this country and Republicans who hate Donald Trump. This lie has been going on for so long that they thought raiding Mar-a-Lago recently would help their case. But what they did there was so bad that it was a stench in the nostrils of all who found out about it. So what have they done now? Fearing another Trump presidency after he announced his 2024 intentions, they have made a Special Counsel to have him arrested. This is the kind of stuff they do in Russia, China and banana republics. Folks, if God does not come and rescue us, we are in real trouble. Unfortunately, what I warned about in the “70 Years of American Captivity” book is on our doorstep. The book was supposed to be a warning, not a prophecy.

2022 elections.³ In the footnote you will see the website for you to watch a documentary proving this. That fact frightened the Biden DOJ so much that they tried to have the two major collaborators of the film embroiled in legal problems. Judges have thrown out the cases.

The fact that the DOJ has been weaponized is, in itself, a frightening occurrence made by Biden. Unfortunately, Obama was the first president to have it done on a level never before seen. About a week after my experiences with the two previous prayer requests, Brother Bill received a vision from the Lord for prayer. I had printed it here and was ready to post when I was exhausted and fell asleep. Sleeping through the night, I awoke early morning with a scripture verse, several actually. They all told me one thing: The Holy Spirit did not want the vision uploaded. So, for those of you whom we spoke to, you know what it is.

From this vision, Bill felt our prayer should be that it will become common knowledge about this corruption. Also, that common kitchen table talk will be phrases like “Biden crime family” and “cheating Democrats” and “communist Democrats”. A little while after sharing what he saw, Bill said to me, “You know, all these media types think they have discouraged patriots by harping over and over again that we didn’t get a ‘red wave.’ Something very few regular people uttered anyway. But the reality is that if we had a large majority, human beings would take credit for what God is getting ready to do, and nobody is going to be able to do that.”

The Lord wanted me to share a song. I do not know these folks and have no specific permission to share except for the fact that this is on an open platform for sharing. For today and for the understanding the Lord wanted to convey, each day is a fresh revelation of grace. Each and every day we experience Jesus’ unmerited favor, grace and enabling sustaining power. The more you hang out with Him, it’s like getting baptized in water. You touch water, you get wet; you become infused

So much so, that the leaders within the DA’s office refuse to certify the 2022 election. You can read the article.

with it. Our skin receives water even through osmosis. Well, hanging out with our God in worship, we become enraptured with Him and infused with Jesus. Now, that's a very Merry Christmas! “Simon Peter, a servant and an apostle of Jesus Christ, to them that have obtained like precious faith with us through the righteousness of God and our Saviour Jesus Christ: Grace and peace be multiplied unto you through the knowledge of God, and of Jesus our Lord, According as his divine power hath given unto us all things that pertain unto life and godliness, through the knowledge of him that hath called us to glory and virtue: Whereby are given unto us exceeding great and precious promises: that by these ye might be partakers of the divine nature, having escaped the corruption that is in the world through lust. And beside this, giving all diligence, add to your faith virtue; and to virtue knowledge; And to knowledge temperance; and to temperance patience; and to patience godliness; And to godliness brotherly kindness; and to brotherly kindness charity. For if these things be in you, and abound, they make you that ye shall neither be barren nor unfruitful in the knowledge of our Lord Jesus Christ” (2 Peter 1:1-8). See also Luke 11:1-13.

Pray through the holiday season because the new Congress does not get seated until January of 2023. We will continue in prayer for these, as well as other things the Holy Spirit has encouraged us to pray about. As always, you can hit the ‘Contact Us’ link and send a prayer request. We always pray and we always keep it private, unless you ask for us to share it with the wider group. If I don't make another intercessory prayer update before Christmas, let me wish you all a very Happy Thanksgiving and a Blessed as well as Merry Christmas, in Jesus' name.
