

# THE GREAT SIGN OF REVELATION III

The purpose of this illustration is to depict the astronomical alignment of what many ascertain is the Revelation 12 depiction of the constellation Virgo by way of a Solar System perspective. The configuration is believed to be the 'Sign' that foretells the coming 'Time of Jacob's Trouble'. Many believe tis could signal the coming Biblical start of Daniel's 70th Week of Years yet to be fulfilled. The constellation is depicted anthropomorphically as a woman, in particular a 'Virgin'. The names of the Stars in Virgo connote the significance of their meaning as part of the celestial storyline being displayed in 'silence' across the Ecliptic. This is part of the Silent Witness to the Plan of Redemption set forth in Christ by YHVH, the Creator of the Cosmos and all that was, is and will be. If any prophetic or special event is to occur to affect Israel or the Church, that remains to be seen.

CELESTIAL 'GESTATION'  
 NOV 20, 2016 – SEP 9, 2017  
 293 DAYS or  
 9 months 20 days

The Sign of Virgo is the 1st 'House' or 'Chamber' of the Mazzaroth or Zodiac. The Sun appears to run its course along the line called the Ecliptic. The approximately sends 1 month in each of the 12 Signs that mirrors a 'clock' of 12 hours. Around September to October of each year, the Sun traverses through Virgo. Due to the cycles of the moon, an approximation of the book of Revelation 12 is depicted. What the Sign configures on September 23, 2017 is the uniqueness of having Jupiter, as the Planet of the Messiah and thus the metaphorical ManChild possibly correlate to a type of a rapture. The depiction is not insinuating that the 'Rapture' of the Bride of Christ will occur as this Virgo Sign is referenced to a possible mid-Tribulation timeframe.

The constellation of *Virgo* is composed of 12 stars that reflect not only the 12 Tribes of Israel, or sons of Jacob but could also of the 12 Apostles, etc. Each constellation, their names and stars tell of the *Redemption Plan* of YHVH as found in the person of Jesus Christ. The constellation *Virgo* in this context is Israel and *Jupiter* is Christ the Redeemer but has overtones of the *Church Body* with the 'birthing' of the ManChild as a representative of Believers in Christ. However the ManChild typology is not representative of the rapture of the Church, that occurs in chapter 4 with the typology of the Apostle John.
