CAPABILITY STATEMENT

CORE COMPETENCIES

J Thomas II Construction, LLC is a diverse woman-owned general contracting company, offering a wide range of services including painting, dry walling and trucking services. Besides general contracting, trucking and logistics are one of our strengths – **no matter the weight, we will haul your freight!**

We are a company that is actively committed to community involvement by supporting our local non-profit organizations. **Integrity and pride are at the core of J Thomas II Construction, with our primary focus on the customer.**

We are Small Enough to Listen; Big Enough to Deliver.
