

A luxury outdoor fire pit set on a wooden deck overlooking a lake with a forest in the background. The scene is peaceful and scenic, with a clear blue sky and lush greenery. The fire pit is the central focus, with a fire burning brightly in the center. The chairs are arranged around the fire pit, and the deck is made of dark wood. The lake is calm, reflecting the surrounding trees and sky. The overall atmosphere is one of relaxation and outdoor living.

HANDCRAFTED LUXURY FIRE PITS

# HANDCRAFTED LUXURY FIRE PITS

Create a state of serenity to your outdoor space with the warm glow of an outdoor fire pit. At Castelle, we pride ourselves in our attention to detail as every fire pit is individually crafted by highly skilled artisans and made in the Americas. Our goal is to provide beautiful, elegant designs that offer the highest quality materials and endless customization options. Each fire pit is made-to-order and no two are exactly alike. Our fire pits are built to last and crafted to add a warm addition to any environment.

# THE CASTELLE DIFFERENCE

Castelle fire pit collections are designed and crafted with your personal vision in mind. Each fire pit is fully customizable and crafted of aircraft-grade aluminum and extrusions providing the ultimate in strength and durability. Our stainless-steel burners are made from 304 stainless steel providing excellent corrosion resistance and ultimate performance.

## DURABLE

Crafted of the highest grade materials, each fire pit features hand painted antiquing and a durable four step finishing process to ensure superior quality.

## CUSTOMIZABLE

Hundreds of customizable options between tops & finish techniques offer a truly one-of-a-kind piece for outdoor living.

## EASY ACCESS LIGHTING

Each fire pit features high quality burners with 60,000 BTU's and easy tank access for convenient igniting and extinguishing of the fire.

## MULTIPLE SIZE OPTIONS

Fire pit models are crafted round, rectangular, and square shapes to intricately showcase multiple hand woven aluminum motifs and leg designs.

# HOW TO BRING YOUR DESIGN VISION TO LIFE

We make it easy to customize the look you've always envisioned with the Castelle 5 step process.

# FREQUENTLY ASKED QUESTIONS

## **WHAT ARE THE STARTING OPTIONS?**

A: Manual ignition or “match-lit” ignition is the preferred method of starting the fire pit. A long lighter or fire place matches are recommended to start the fire pit.

## **ARE CASTELLE FIRE PITS PROPANE OR NATURAL GAS?**

A: Our fire pits all come from propane but can be converted to natural gas using one of our conversion kits. For more details, explore our conversion kit products.

## **ARE DINING SIZE FIRE PITS AVAILABLE?**

A: Yes, we offer a wide variety of dining size fire pits that are fully customizable and available in multiple styles.

## **IS THERE A RECOMMENDED ROOF CLEARANCE?**

A: The fire pit clearance is 96” height, 64” width, and 24” maximum overhand.

## **IS THERE A WARRANTY ON FIRE PITS?**

A: Yes, Castelle offers a 15-year warranty for structural damage, 5 years for finishes, and 2 years in plastic pieces and accessories. Visit our website for more details.
