

Health Safety Environment and Quality Policy

Cooper Campbell Waterproofing is a specialist installer of waterproofing and floor coatings, including industrial non-slip coatings, concrete repair and joint sealing.

Cooper Campbell Waterproofing is committed to:

- Providing high quality products and services to our customers
- Encourage employees to participate in quality improvement activities
- The protection of the environment, including the prevention of pollution
- providing safe and healthy working conditions for the prevention of work-related injury and ill health
- eliminating hazards and reducing health and safety risks from our activities, products and services, so far as is reasonably practicable
- investigating incidents to prevent recurrence by implementing and reviewing corrective and preventive actions
- maintaining, measuring, reporting and reviewing measurable objectives and targets
- complying with applicable legislative and compliance obligations
- implementing, maintaining and continuously improving our integrated management system to enhance performance
- consulting with our workers, their representatives and other relevant persons, and ensuring their participation in improving, matters affecting their health and safety.
- providing adequate resources to achieve the intent of this policy, objectives and targets and all elements of our integrated management system

Our workers shall:

- present for work in a safe and fit manner
- take reasonable care that their acts or omissions do not adversely affect their health and safety, or that of other persons
- report incidents and unsafe practices to the relevant Cooper Campbell Waterproofing representative
- comply with Cooper Campbell Waterproofing integrated management system documentation, training and instruction

This Health Safety Environment and Quality Policy shall:

- be available as documented information and to interested parties as appropriate
- be communicated within Cooper Campbell Waterproofing

I commit Cooper Campbell Waterproofing activities, products and services to this policy.

A handwritten signature in black ink, appearing to read 'Brett Haines', is positioned above the printed name and title.
