

FLOOR PLANS OF YOUR LIFE

God knows every detail regarding the “floor plans” for your life. He is the Master Architect who not only created you but designed you. *You are fearfully wonderfully made and He knit you together in your mother’s womb (Psalm 139:14).*

He is the ultimate Contractor of your life who will bring ALL GOOD THINGS to pass in your life. He has every intention working this good purpose within you until Christ returns. Bumps in the road do not mean He is going to stop. Failures don’t mean the plans won’t come to pass.

God’s work in you will always brings improvement. It is Who HE is and what He does. The work of God serves many purposes but they always surround one central thing —to make you more like Jesus (see Philippians 2:5-10).

As I started to post this today I heard:

“God’s purposes are eternal and never change. This is the one constant you can always count on. His purposes are rooted firmly within the events of your life. This means the good things and the not so good. This means your successes and yes, your failures. In all things, means in all things!”

You are God’s and because you are His, He will complete His good work in you!
