Talent Show Update - Liz

- Try-outs / Judges- forms went out and are starting to come back. Judges are secured as well as staff to help make it run. Also Stephanie's girl scout troop is going to help out. Stephanie will do the DVD again this year and also we will sell at the event only! Stephanie has also offered to do the program again for the event. The yogurtology flyer will be on the back and also passed out at school. The black curtains from the church we are not able to use, but the lights on the balloons worked great at the Fall show. We need to get posters made for the hallways

to help advertise the tryout and actual event. I will work with Jennie to get that figured out and set up.

Family Events –

- Lazer Quest- Free event and the sign up is going on currently. PTSO will sell pizza and soda there
- McDonalds Fundraiser- we have 2 possible dates to ask about,.. April 30 or May 14. 3 hour event. Jacqueline will find out which date we can have. We earn \$ based on drive through and walk up orders that are not on the kiosk. This needs to be stated on our flyer so parents know this.
- Great Skate- Back to school event instead of school dance. Jacqueline to see what August dates are available.
- Bingo – Food- Hot dog vendor sold his truck, so we will do pizza and a Ice cream truck. Jacqueline has called around for pricing deals, Liz is checking on Marcos pizza to see what kind of deal we can get.

Raffle Prizes- Jacqueline went over the prizes that we have and may need and the group agreed with what she has and gave the ok to get more as needed. Stephanie was given revisions for the flyer and once approved, posters to be ordered. Annoucements to be made and posted about the new event. Raffle tickets will be available for pre sales. Also Bingo night volunteer sign up to be resent out. Emails are going out to teachers to see if we can get help with calling games.
