\$20 1st boat \$10 for each additional boat entered. All IMPBA rules apply and IMPBA cards inspected on race day. Minimum of 3 boats per class required for class to run with 3 rounds of racing. Digital/Audio clock used to start races. If using AM/FM radio, alternate frequencies may be required. Engines to remain off until 9:00AM and radios kept in impound area.

The Ash Township pond is located at 1677 Ready Rd., Carleton, MI 48117. The pond is located behind the Ash Township city hall. From I-275 take exit 5 and go east on Carleton-Rockwood Rd. Turn South on Sweitzer Rd. Take Sweitzer Rd to Ready Rd., turn right onto Ready Rd. The pond is on the right, no camping or open fires allowed. A paved walking path is located around the entire pond and there is a playground adjacent to the pond. See our web site: www.motorcitymodelboatclub.us/pond.htm for more information on pond site location and satellite view.
