

From Betty Betes and Carol Rohde – Martin Health Center display co-chairs:

IMPORTANT MESSAGE: For all PCAA Members who have paintings hanging in the Palm City Martin Health Center display:

PLEASE! Do Not Remove/Replace/Add /Change in any way the labels currently in place for the paintings. This means *do not put ANY additional information*, such as business cards stuck into the frame, or any information on a separate label next to the existing label.

The labels currently in place are the labels required and accepted by the Health Center for the display. We have had to meet their requirements with the labels, and they **DO CHECK** to be sure nothing is changed.

Please understand these are Martin Health System Requirements, which come directly from the Health Center. If you have any questions or need assistance, please call Betty at 223-8629, or Carol at 283-8617.

Thank you so much for understanding and complying. We hope you have a great display and enjoy our future relationship with the Palm City Martin Health Center by providing great art in our community.
