

THE SEASON OF NOAH BEGINS

The purpose of this illustration is to depict the intersecting comets of the mid 1990s that to some signaled the beginning of the 'Season of Noah'. That is to say that the comet Hyakutake, in particulate had not been seen since the days Noah was completing the Ark and perhaps such a cosmic sign is now occurring. This cosmic sign may very well be pronouncing the coming judgment not only on the whole Earth but against Lucifer in particular. It is rather sticking that the 2 comets intersect nearly 1 year apart and on the Spring Feast of YHVH, of Passover. Both comets Hyakutake and Hale-Bopp crossed the same star Algol in the constellation Perseus exactly 1 year apart on April 11 marking a 'cross' intersection precisely over the "evil eye" of the star Algol. Count this have been the start of the countdown for the 'Last Generation' as it was for the Days of Noah?

COMETS OF THE COMING JUDGMENT OF LUCIFER

AS IN THE DAYS OF NOAH

Jesus Christ attested to the Deluge account as being a fact and not fiction in Luke 17 as do most world civilizations that have a flood story. Christ declared that before His 2nd coming, the world would be as in the 'Days of Noah' and on the verge of the LORD's 'New World Order.' The 2 intersecting comets of 1996 & 1997 could be the confirmation of a cosmic countdown to the end of the 'Season of Noah' in this generation. It is believed Noah was born in 2006 BC, it may correspond to 2006 AD; it took 120 years to complete Ark, a clue to Judgment possibly starting.

The Seal Judgments, not the Rapture starts the Tribulation, regardless if it's 7 or 3.5 years. The year 2006 + 120 months = 2015. This is when the Blood Moon Tetrad occurred. The Judgment of the Deluge came upon the whole world, as the Seal Judgments will also in the Tribulation. If a generation is to be 70 years, then from when Israel was 'birthed' in 1948 would be 2018. Will come prophetic event of the likes of a Noah type of 'escape' occur in that year?

The Meaning of Numbers: The Number 11
 The number eleven is important in that it can symbolize disorder, chaos and judgment. In the Bible, 11 is used twenty-four times and "11th" can be found 19 times. Coming after 10 (which represents law and responsibility), the number eleven represents the opposite - the irresponsibility of breaking the Law, which brings disorder and judgment. In Genesis 11, men rebelled against God and built the tower of Babel. He judged them by confusing their language, resulting in chaos. The apostle John saw 11 things in connection with the final judgment (Revelation 20:12 - 14).
