

# VIRGO REVELATION 12 BIRTH

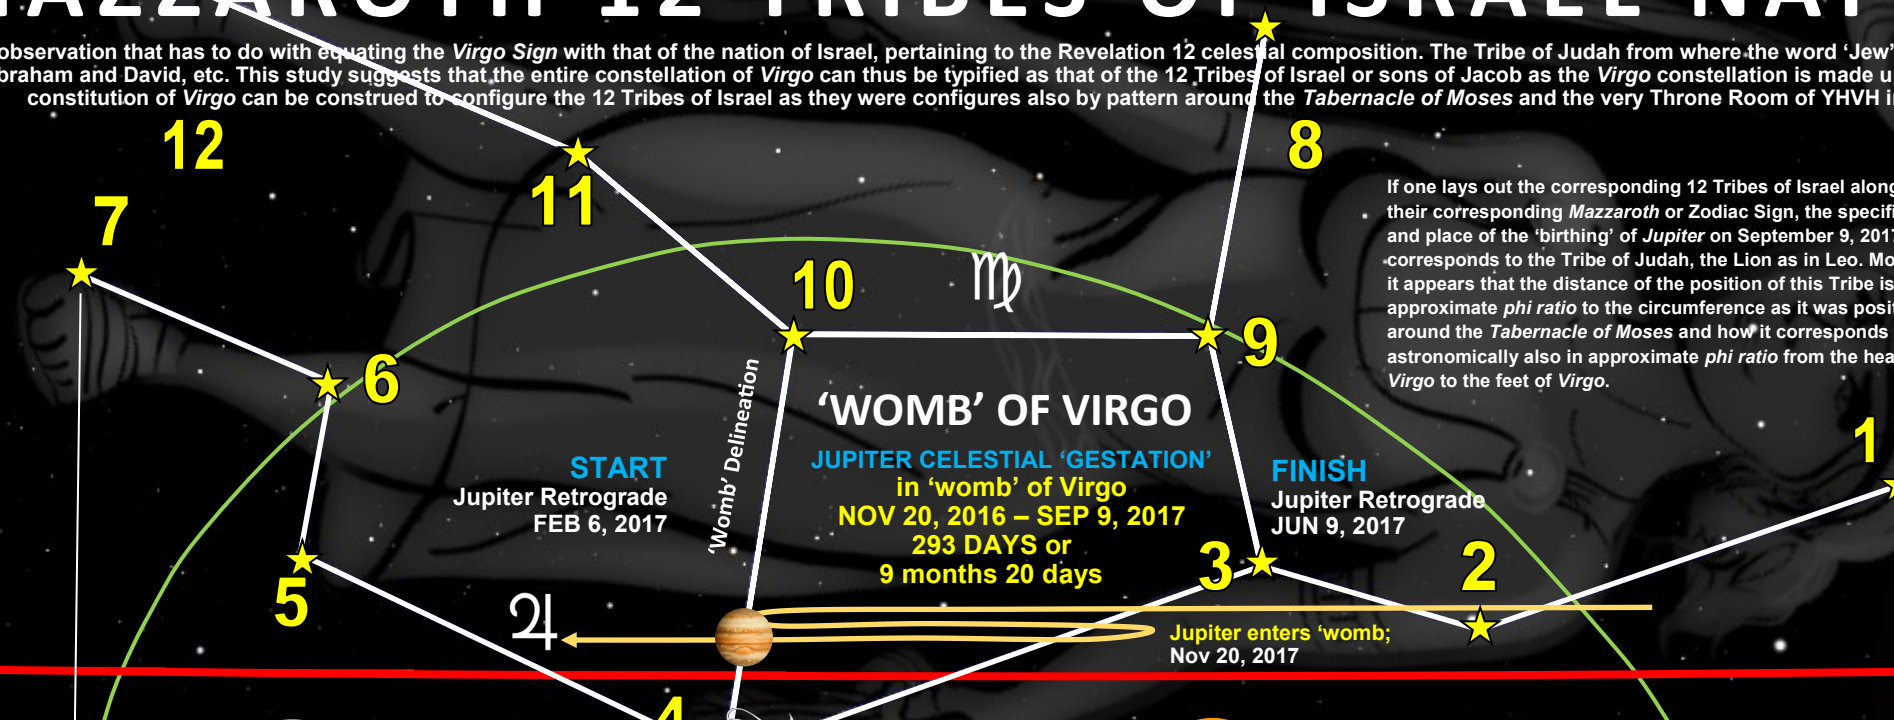

## MAZZAROTH 12 TRIBES OF ISRAEL NATION

The purpose of this illustration is to suggest an observation that has to do with equating the *Virgo Sign* with that of the nation of Israel, pertaining to the Revelation 12 celestial composition. The Tribe of Judah from where the word 'Jew' come from is the last remaining of the 12 sons of Jacob that YHVH allowed due to the promises made to Abraham and David, etc. This study suggests that the entire constellation of *Virgo* can thus be typified as that of the 12 Tribes of Israel or sons of Jacob as the *Virgo* constellation is made up of 12 stars. This illustration also suggests that the entire constitution of *Virgo* can be construed to configure the 12 Tribes of Israel as they were configured also by pattern around the *Tabernacle of Moses* and the very *Throne Room of YHVH* in Heaven.

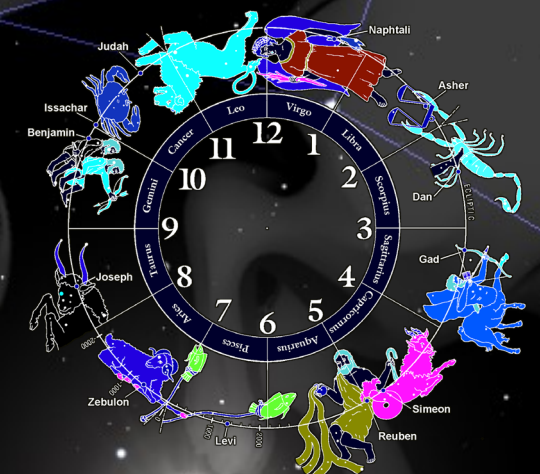

### THE MAZZAROTH מַזְלוֹת

If one starts with the western orientation, which is the opposite on the constellation of *Virgo* and move clockwise of the order of the tribes with the prominent tribe being fixed in the middle, then the layout superimposed on the constellation of *Virgo* from the eastern end along the *Ecliptic* will have some rather striking correspondence for the Pentecost season of 2017 concerning the planet *Jupiter*. This study suggests thus that the particular Tribe of Judah will correlate to *Jupiter* at this Jubilee anniversary that also occurs on Pentecost. Perhaps such a time is meant as if to portray a prophetic message perhaps.

### Genesis 37-Sons of Jacob

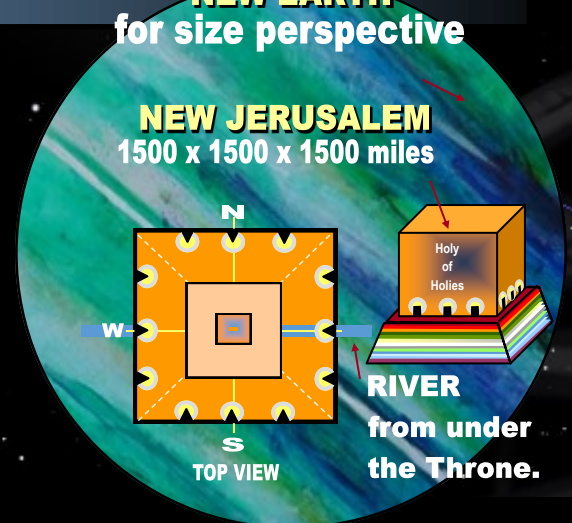

If one lays out the corresponding 12 Tribes of Israel along with their corresponding *Mazzaroth* or Zodiac Sign, the specific time and place of the 'birthing' of *Jupiter* on September 9, 2017 corresponds to the Tribe of Judah, the Lion as in Leo. Moreover, it appears that the distance of the position of this Tribe is in approximate *phi ratio* to the circumference as it was positioned around the *Tabernacle of Moses* and how it corresponds astronomically also in approximate *phi ratio* from the head of *Virgo* to the feet of *Virgo*.

### NEW EARTH for size perspective

NEW JERUSALEM  
1500 x 1500 x 1500 miles

This illustration suggests that the *Virgo Sign* of Revelation pertains to being Israel and not the Church. This prophetic assertion of the astronomical sign is substantiated by the typology given in Genesis 37 by Joseph and his visions. The narrative of the sons of Jacob will repeat itself as it occurs during the Tribulation period. Revelation 12 is the admonition of the coming time of 'trouble for Jacob'. It is to fulfil and what Jesus forewarned the 'sons of Jacob' that 'after the tribulation of those days', to flee to the mountains, etc. This time and place will correspond to the midpoint of the Tribulation period and that start of the 'Time of Jacob's Troubles'.
