

BIG WOMEN

By John Lipinski

An over-sized person just loves to eat
And sometimes, they can't see their feet
Irregular glands, but usually just too much food
Watching the T.V., biting into a snack
Thinking of a man with a big Cadillac
Big women, need lovin', too

Big women, need lovin', too
Squeezing you tight, most every night
Cuz, they have feelings, too
So don't be alone, sitting next to the phone
Have a lot of fun and take a big girl home,cuz
Big women, need lovin', too

A lonely weight-watcher makes a wonderful lover
And after the wedding, you will soon discover
That you are the menu, on your honeymoon
Feeling love handles, holding on to your Rosie
Big around the middle, but still real cozy
Big women, need lovin', too

Big women, need lovin', too
Squeezing you tight, most every night
Cuz, they have feelings, too
So don't be alone, sitting next to the phone
Have a lot of fun and bring a big girl home, cuz
Big women, need lovin', too...Big women, need lovin', too!
