

# SUPER SHEMITAH OF ISRAEL

REASONS WHY THE NEXT 7-YEAR CYCLE IN THE FALL OF 2022 WILL BE DANIEL'S 70TH WEEK THAT WILL BE INITIATED BY THE GREAT RESET, THE COLLAPSE OF THE US FINANCIAL HEGEMONY THAT WILL USHER-IN THE NEW 'LIBERAL' WORLD ORDER  
*70th Sabbath Year Count*

*'The LORD spoke to Moses on Mount Sinai, saying, Speak to the People of Israel and say to them. When you come into the Land that I give you, the Land shall keep a Sabbath to the LORD. For 6 Years you shall Sow your Field, and for 6 Years you shall Prune your Vineyard and gather in its Fruits, but in the 7th Year there shall be a Sabbath of Solemn Rest for the Land, a Sabbath to the Lord. You shall not Sow your Field or Prune your Vineyard. You shall not Reap what grows of itself in your Harvest, or gather the Grapes of your Undressed Vine. It shall be a Year of Solemn Rest for the Land'. -Leviticus 25:1-55*

The purpose of this study is to suggest that the coming Sabbath Cycle of 7 Years or the Shemitah, starting on September 26, 2022, will be the Super Shemitah of Israel. And? It could very well be the Time-Frame of when the 70th Week of Years, or the Last Sabbath still owed by Israel to YHVH, for not allowing the Sabbath Year Rest of the Promised Land to occur, will need to be Paid. In essence, Jesus is coming to Collect. It will be a perfect Synchronization of the 70 Years since Israel re-entered the Promised Land and the 1st Sabbath Count commenced anew in 1952.

This 70 Year Countdown would end in the Fall of 2022 as Daniel's 70th Week of Years or the Last Sabbath Cycle of 7 Years, that has been 'On Hold' would then begin. Why? Realize that all of the 70 Weeks of Years is a Judgment proclaimed against Israel. It is iterated to Daniel, of how it clearly states that it deals with his People, his City and His Temple. This Judgment and Wrath has nothing to do with the Church Age Believers in Jesus, etc. It is understood, however, that there is a 'Pause' Presently in Play that has not afforded the Last Prophetic Week of Years, that being 7 Years or 1 Sabbath Cycle.

In-between the 69th Week and the 70th Week, there has been a Prophetic Intermission to allow for the Church Age. Why? This Period of Time, put Israel 'On Hold', Prophetically as Jesus Christ has been at Work, building-up His Bride, Metaphorically. This was initiated by the New Covenant promised in Jeremiah 31:31 and Confirmed by Jesus at the LORD's Supper based on the Blood of Jesus, shed at the Cross. This Prophetic Intermission has lasted about 2000 Year now, but the 70th Week of Daniel has to commence. Jesus stated that the 'Age' would End as the Royal Commission also served to bring-in and Graft-in those within the Nations that would receive the Gospel.

## **A Debt Owed that will not be Cancelled**

Once the Number of those Souls will be completed or 'Saved', the Prophetic Intermission will conclude to allow for the 70th Week of Years or the Last Sabbath Cycle to commence and sum-up the Debt owed by Israel, not the Church. Realize that the Notion of 'Paying the Debt' is a Judgment. Thus, the coming Tribulation Period, as this Time has been called, will be one of Jacob's Troubles. It will also coincide with the Wrath of the Lamb against not only National Israel, but the World and Lucifer, all inclusive. One has to have this in Context the Frame of Mind, that the Shemitah dealt with the Sabbath Rest of the Promised Land. This is why one surmises that the coming Division of the Land by a US Presidential Administration to 'Confirm' a Peace Deal will be extremely Significant.

How so? Geo-Politically, the Negotiations and the Jerusalem Declaration that President Biden Signed on Tammuz 15, 5782 or July 16, 2022 was exactly 666 Days from the Abraham Accords by former President Trump. And? It ties the 2 Declarations together. Now, the Jerusalem Declaration has been Signed before by other U.S. Presidents. It is just 'Lip Service', but it affirms the 2 State Solution. So? It is based on Pre-1967 Borders for Israel. This means that Israel will surely lose all of Samaria, Judea, and Jerusalem will be Divided. At the widest portion of Israel on the Map, it will only have 8 Miles of Territory. It will be indefensible. If the Declarations that merge will be 'Confirmed' by the 'Many' Stakeholders, it will fulfil the Prophecy of Joel 3. And YHVH promises to Divide the Nations that Divide His Land.

One also suggests that Joel 2 is a Parallel of Acts 2 and deals with the Timing the Rapture, of how when the Holy Spirit came down, goes up. Then Joel 3 is fulfilled in how the Promised Land, Jerusalem and the Temple Mount will be Divided. Hello Abraham Family House on the Temple Mount. So, Rapture 1st, then Division 2nd, right after. This is when the AntiChrist will come in and is revealed as the Restraint is no longer holding Lucifer back. All the Forced Lock-Downs and new Kill Shots will mitigate the Millions that will disappear and will be explained-away as COVID 'Deaths', etc. As an aside about the 70 Years and 70th Year converging, there are another important Day Count that also Synchronizes with the Super Shemitah of Israel. Additionally, the 33rd Shemitah or Sabbath Cycle for the USA since the 1792 Coin Act will converge with the Super Shemitah. See End Notes for Articles and Book on the Subject.

What does it mean? It means that with the Great Reset, it is as a result of the Financial Collapse of the USA, as apparently the Luciferian Kabbalists encoded this very 33 Cycle as the Expiration Date for the USA's Financial Life Cycle. Then what is also noted is that there is a 3rd Element in how the 50 Year Jubilee Count from the Yom Kippur War will also be a factor that converges with the 70s in the Fall of 2022. What is Prophetically Significant about this 1973 Shemitah Year, is that if one counts 50 Years from that War, on the Holiest Day for the Jews, being Yom Kippur, it also will be in approximate Phi Ratio to 1952 and 2022. This would be Evidence for the Time-Line. Since one is on the subject of the 50 Year Count, based on one's Calculation of September 11, 2029 being the Return of Jesus, it will be 50 Years or a Jubilee Shemitah from 1980.

## **Last Shemitah Cycle**

Why is this notion of the Super Shemitah important to consider anyhow? If what one is suggesting, based on the Sabbath Cycles of 7-Years that one suggests is how YHVH keeps Prophetic Time, then it is Time for Israel to make her 'Last Payment'. One is also assuming a Pre-Tribulation Rapture Scenario here. In other words, if the Fall of 2022 is indeed the start of Last 70th Week of Daniel, then anytime until then, the Rapture has to occur. Of course, all this is predicated on a 1952 -Target Year and subsequent 70-Year Calculation Countdown. One can be totally off. However, the Evidence is Compelling that 2022 'Has to be it'. One believes then, that the Sabbatical Cycle will have to necessitate the end of the Church Age.

Dispensations will revert back to the Age under the Mosaic Law for Israel, etc. Where did the Notion of a 70-Year Judgment come from? It deals with Finances and the Land of Israel. YHVH gave explicit Commands to the Jews to allow the Land a Sabbath Rest, like the People. However, Man being Greedy, the Elders of Zion found ways to Nullify the Commandments of YHVH by implementing Loop-Holes and have the Land continue to be worked. It was the Sin of Unfaithfulness and Disobedience of Israel that brought the Exile of the entire Jewish Nation for 70 Years in Babylon. Thus, Israel paid in Time and in Exile for 70 Year. However, in Prophetic Extrapolation of the Judgment, according to Daniel's Calculations, Israel still 'owes' YHVH, 1 Shemitah of Time or 7 Years. Thus, Daniels' 70th Week of Years is the 'Last Shemitah' to finish Israel's Punishment and before Jesus can return, etc.

To reiterate, the Last Shemitah is still owed by Israel, not the Church. Why the Repetition? This is Evidence that the Church Age Believers cannot be found during this Change in Dispensation as it will evolve Worldwide Judgment. It is described as the Wrath of the Lamb and the New Testament promises that the Bride of Christ is not 'Appointed to Wrath'. And there are numerous Verses, where a Great Escape will be provided before this 70th Week of Years will begin. Note that it will be Jacob's or Israel's Troubles, not that of the Church. Thus, after 1952, the Sabbatical Cycle of Years commenced the 70 Year Countdown to the Super Shemitah of Israel. The following is the Year Count from 1952, being the 1st Shemitah Israel 'clocked' after returning to the Promised Land.

### **70 Years: Starting from the 1st Shemitah after Year '0'.**

## Change in Dispensations

The following will be some information regarding the Origins and Purpose why YHVH instituted this Year Count. It was essentially to avoid Financial Meltdowns, Slavery and Inflation, etc. The Term Shemitah שמיט has been popularized lately with the publication of the Book, The Mystery of the Shemitah by Jonathan Cahn. The Shemitah was also a Time for Cancellation of Debts.

*'At the end of every 7 Years you must cancel Debts. This is how it is to be done: Every Creditor shall cancel any Loan he has made to a Fellow Israelite. He shall not require Payment from his Fellow Israelite or Brother, because the Lord's Time for Canceling Debts has been Proclaimed'. -Deuteronomy 15:1-2*

How does one know the Shemitah Year Count is accurate? There are so many Calendars and Theories. True, but for example, the Lunar Cycles help to determine that. Consider the Super Blood Moon of September 28, 2015. That was the Year of the Shemitah and on the Feast of Tabernacles. It signaled that the coming Sabbath Cycle, starting in the Fall of 2015 would initiate the 7-Year Countdown to the Super Shemitah.

Also, others have noted that the Year following the Destruction of the 2nd Temple was the 1st Year of a 7-Year Sabbatical Cycle, etc. Thus, the 70th Super Shemitah appears to thus be hinged to the 70th Week of Years, or the Tribulation Period. It is like in a Relay Race where the Baton is handed-off.

*The 10th Sabbath Cycle or 'Super Shemitah' occurs in the Fall of 2022, thus, to also coincide with the Great Reset and Initiation of the New Liberal World Order.*

### Shemitah Cycles

*The Year 2022 converges the 70 and 50 Year Shemitah or Sabbath Cycles. The Year 2022 will coincide with the 70-Year Super Shemitah or Sabbath Cycle.*

### Super Shemitah

*70 Years since 1952 - 1st Sabbath Count since Israel was 'Rebirthed'.*

**1952 + 7 + 7 + 7 + 7 + 7 + 7 + 7 + 7 + 7 + 7 = 2022**

**10 Sabbath Cycles x 7 Years = 70 Years = Diamond Jubilee**

Based on prior Shemitah Cycles, one believes that the Covenant with the Many might very well be the Mosaic Covenant. How so? One surmises that the coming False Messiah that Israel will accept will gather Israel around the Newly Rebuilt 3rd Temple. And as a Prior Prophetic Pattern of King Solomon Dedicating the Daily Sacrifices, the Biblical AntiChrist will read aloud the Law of Moses, the Covenant and will be Confirmed by the Jews, i.e., the Many.

This will reflect the Change in the Prophetic Dispensation as the End of the Church Age was concluded by the Resurrection-Rapture Event just prior. As noted, during the Church Age, their Covenant was the New One based on Grace. This was only possible due to the Finished Work and Blood of the Lamb of YHVH, Jesus. How is all that has been said possibly related to the July 23, 2022 Date or 723? Consider the Following.

## **Confirming the Covenant in 2022?**

On has been getting a few messages regarding the July 23 Date. Many are reiterating how starting on Tammuz 17, it is when the Walls of Jerusalem were besieged by both the Babylonians and Romans on the Same Day. It led then to the Destruction of the Temple on the 9th of Av, also on the Same Day 3 Weeks later.

Pretty Amazing. So, 3 Weeks of 7 Days or a 7-7-7 Countdown to the 9th of Av. It is understood by the Ultra-Orthodox that, starting on July 16, 2022, the Day Joe Biden Signed the Jerusalem Declaration, the 3 Weeks of Mourning begin, leading-up to the 9th of Av. There are no Weddings performed. But the 1st Week or of 7 Days will land on July 23, 2022.

**From Saturday, July 16, 2022**

*Added 7 days (repeated 3 times)*

*Result 1: Saturday, **July 23, 2022***

*Result 2: Saturday, July 30, 2022*

*Result 3: Saturday, August 6, 2022*

So, there are 3 Weeks between the Fast of the Seventeenth of Tammuz and Tisha B'Av that are a Jewish National Period of Mourning as stated by the Chabad.org website. It was noted that Ashkenazi Jews refrain from scheduling any Weddings throughout this Period. Sephardic Jews do schedule Weddings until the start of the Month of Av. Interesting to note the List of Factors on the 9th of Av that are Prohibited. They seem to include all the Elements of a Wedding, by default.

### ***During this time, we do not***

What caught one's Attention is that the Initial 'Darkest Day' for the Jews is commemorating the Rejection of the Good Report that Joshua and Caleb gave. This is opposed to the 10 Bad Reports of the other Leaders of the Tribes, etc. As one knows, they ventured as Spies in the Promised Land for 40 Days. Do the Jews know how to 'Reject' or what? Just saying. But Moses had to come to the Rescue once again... As it was the 9th of Av, the 5th Month, they brought back that immense Single Clusters of the Grapes that was Ripe for Harvest. Big Clue here. Not the Time for the New Wine.

## **Why is 2022 Key? – It is a Turning Point Year**

Not the Time for the Grape Harvest just yet, as it ends in September, as the First Fruits of the New Oil is Celebrated. The Grape Season was right in the Middle, in August, the 5th Month, etc. This is the Clincher in that the Feast of New Wine is.... get ready...is 'Impossible' to then occur in August. One is saying this because many Brethren, Watching are Speculating and Calculating that the 9th of Av coincides with the Time of the Feast of New Wine based on the 5 Month assertion, if I am not mistaken? One could be wrong, but just pointing out that it was not the First Fruits of the Grape Harvest.

*'Do your best to bring back some of the Fruit of the Land. (It was the **Season for the 1st Ripe Grapes.**)' -Numbers 13:20*

Why 2022? One has written a whole Book on the Converging Events that one presents why 2022 is the Year of Convergence signaling the End of the Church and Year of the Rapture. The Title of the Book is: 2022 Rise of the Whore. Links will be below in the End Notes for a Free PDF Download. The following are some tid-bits about the Number 22 as a Fractal of the Year 2022.

- There are 22 Letters in the Hebrew Alphabet.
- There are 22 Epistles.
- There are 22 Chapters in Revelation.
- There are 22 Words of Light in John.
- Then, Psalms 22 accounts for the Sufferings on the Cross.
- There are 22 Bowls to hold Oil for the Menorah.
- There are 22 Almond Decorations in the Menorah.
- There are 22,000 Priests of Levi.
- Then, on 9/11/22, it will begin the 22nd Year commemorating 9-11.

It is all based on Typologies and Patterns, of course, but patterned to suggest that by the Fall of 2022, the 3rd Temple has to be built by October 18, 2022. Why then? This is assuming a 4-Month Gap of time starting from the Rapture. This would be enough time to construct the 3rd Temple. It is essentially Pre-Fabricated as it is. It is really a matter of 'assembling it'. All the Preparatory Work is completed.

The Red Heifers are ready. And? What occurs on October 18, 2022 is called, 'The 8th Day', or Shemini Atzeret. One surmises that it will be a 'Reenactment', after the Dedication of Solomon with all of Israel gathered to kick-off the New Temple and the Daily Sacrifices. The Super Shemitah will be the cause to Celebrate the Reading of the Mosaic Law to be 'Confirmed' as the Daily Sacrifices are Inaugurated by the AntiChrist.

This is what one surmises. So, it is only Speculative. But Solomon was on a Pedestal and after finishing his Prayer and having the 1st Daily Sacrifice ready on the Altar of Sacrifice, Fire from Heaven came down and consumed it. The other time Israel was gathered to Read the Law and 'Confirm' the Covenant, was when Nehemiah read the Law to the People as they, again dedicated the 1st Daily Sacrifice coming back from Babylon.

## **On the 8th Day**

So, one conjectures that the coming Solomon 2.0 that Israel will accept as Messiah for having Authorized the rebuilding of the Temple. The Altar might very well result in such a Dedication, again. And this is now how the Fire that comes from Heaven will be the start of the Lying Signs and Wonders. This is also why one holds to the Theory that it is the Day; the Daily Sacrifices are again initiated, that starts the Day Count of the Tribulation Period or 7 Years.

As the AntiChrist Starts it, exactly 1260 Days later, which falls on April 1, 2026, April Fool's Day and is Passover, will he then stop the Daily Sacrifices as Daniel foretold and reiterated and confirmed by Jesus on the Mount of Olives, etc. The AntiChrist will then enter the Holy of Holies to sit on the Ark of the Covenant, which is the Throne Chair and declare he is God and requires Worship, or else. It would be something to see the 3rd Temple going-up and that Day the Fire comes down, what a Sight that will be.

It will be much like the Contention at Carmel with Elijah. Thus, the Point is that the Rapture does not determine the Start Date of Tribulation. It is not necessary for any Geo-Political Treaty with Israel and 'Many' Nations. Although the Abrahamic Accords are based on the Abrahamic Covenant. This Covenant deals with the Promised Land and why it will be divided, once the Rapture occurs, ending the Church Age on Earth. But the Covenant could very well be for sure, pertinent to Israel and the Covenant of Moses, just as much, pertinent to Israel specifically.

### ***From 1st Shemithah in Israel 1952 to End of Super Shemithah***

***Saturday, September 20, 1952 to September 25, 2022***

*= 25,572 Days*

*Or 70 Years, 5 Days*

If that September 23 Dates comes and goes, as the Last Day of Summer, Astronomically, and the Rapture has not taken place yet to conclude the Church Age Dispensation, one is at a loss of Words and Biblical Understanding. No Super Shemithah? What happened? One will have to read that verse in Daniel where YHVH says to Daniel that in the End of Days, only the Wise will know. So, either YHVH is lying, it is not the End of Days, just yet, or we, one is not Wise.
