

May 2020 Report

Hi everyone from Region7!! We were not able to hold another meeting because of this CoVid-19 stuff and our Whittless Governor, so I am going to do a brief report to keep you up on Region 7 activities.

First off, I would like to thank Jim, Betty, Butch, Dick, LeRoy and whoever else helped with the Trash Pick-up. I got caught up in other business and could not make it, Sorry! Hopefully, I will have all the names for next month! Speaking of next month, I will be holding a meeting in June! Do not forget that our meetings are at Evergreen Park through the summer with October being the last meeting at the park!! Hope you can make it out for the meeting, there is plenty of room for social distancing if you feel it is necessary !

Because of the Governors lock downs, we will not be having the Dillinger Ride at this time. I would like to try and have it at a later date IF there is an open weekend! By the time she turns us loose to have our events, there may be too many other regions having their events that they have planned already!! Time will tell, I will just have to keep reading the Rider and checking the ABATE website for any updates! Our Rest In Peace Ride is happening on May 30th!! This is a memorial ride for Region 7 members who have passed away. The ride IS open to everyone that wants to ride with us!! Don't matter what region or even if you're a member, you're welcome to come ride with us!! I'm sending Silla the NEW updated flyer for the web site and the RIDER! I am going to be posting it on FB as well!! If you have any question, contact Butch at : 989-295-3080. The FREEDOM RALLEY is June 3rd! I'm riding and who ever else can make it will be FANTASTIC! WE NEED AS MANY PEOPLE IN LANSING AS WE CAN GET!!! LET'S GET AS MANY PEOPLE AS WE CAN, WE NEED THE LEGISLATORS TO LISTEN TO US!!! If your neighbor rides and is not an ABATE member, ask him to come along for

a ride and learn what is happening with the insurance!! This is IMPORTANT!!! July 11th is the annual Scoot & Shoot and it is still a GO!! Hope you can make it to that!! We will know more at the June meeting!! Field meet has been moved to July 17,18,19 , more details are coming, Pam's working on the new flyer!! Till next month my friends, stay healthy and ride safe!!! Hope to see all of you in Lansing!!!
Tim
