The Commission continues talks concerning the Law Enforcement Sales Tax and the position of Prosecutor. Both of these issues will be on the ballot in the August primary. The question for prosecutor will be for the public to vote on the position being full time. The Sales Tax will be a question for the public and the money will be used for various funds that the tax applies to such as the Sheriff's office, Prosecuting Attorney's office, Victims Advocate and the Coroner. There have been conversations with several of the schools in the County concerning the need for resource officers. The officers would be funded partially by the County and the Schools if all are agreeable. The issues will be 2 separate ballot questions. These issues were brought to the Commission as needs from the Prosecuting Attorney and the Sheriff. The Resource Officers funding if the tax passes comes out of the Sheriff's budget. The Sheriff and the Prosecutor invites you to contact them if you have questions or concerns concerning these 2 issues. Again these issues were put on the ballot at the request of the Sheriff and the Prosecutor.

The Commission reminds all that there is no electioneering on any property owned by the County.
